The Sleeping Beauty Picture Book Anonymous, 2015-08-05 LONG LONG AGO in ancient times there lived a King and Queen And for the blessing of a child their longing sore had been At last a little daughter fair to their great joy was given And to the christening feast they made they bade the Fairies seven The Fairies seven who loved the land that they the child might bless Yet one old Fairy they left out in pure forgetfulness And at the feast the dishes fair were of the reddest gold But when the Fairy came not one for her so bad and old Angry was she because her place and dish had been forgot And angry things she muttered long and kept her anger hot Until the Fairy godmothers their gifts and wishes gave She waited long to spoil the gifts and her revenge to have One gave the Princess goodness and one gave her beauty rare One gave her sweetest singing voice one gracious mien and air One skill in dancing one all cleverness and then the crone Came forth and muttered angry still and good gift gave she none But said that in the future years the Princess young should die By pricking of a spindle point ah woeful prophecy But now a kind young Fairy who had waited to the last Stepped forth and said No she shall sleep till a hundred years are past And then she shall be wakened by a King s son truth I tell And he will take her for his wife and all will yet be well In vain in all her father s Court the spinning wheel s forbid In vain in all the country side the spindles sharp are hid For in a lonely turret high and up a winding stair There lives an ancient woman who still turns her wheel with care The Princess found her out one day and tried to learn to spin Alas the spindle pricked her hand the charm had entered in And down she falls in death like sleep they lay her on her bed And all around her sink to rest a palace of the dead A hundred years pass still they sleep and all around the place A wood of thorns has risen up no path a man can trace At last a King s son in the hunt asked how long it had stood And what old towers were those he saw above the ancient wood

Bluebeard's keys; and other stories Anne Thackeray Ritchie,1890 **French Fairy Tales** Bettina L. Knapp,2012-02-01 Bettina L Knapp explores the universal and eternal nature of fourteen French fairy tales including the medieval Romance of M lusine Charles Perrault s seventeenth century versions of Sleeping Beauty and Bluebeard and Jean Cocteau s film version of Beauty and the Beast She demonstrates the relevance of these fairy tales for modern readers both for the psychological problems they address and for the positive resolutions they offer Through her careful examination of these tales Knapp shows that people in past eras suffered from such supposedly modern problems as alienation and identity crises and went through harrowing ordeals before experiencing some sort of fulfillment By imparting the age old wisdom embedded in these works French Fairy Tales triggers new insights into psychological problems and offers helpful ways of dealing with them
