The Animal's Game Dwayne

Kimbrough,2023-10-27 Man is threatened only by fellow man Great is that threat because man throughout history has fought fellow man All impactful nations of our world fight other nations and must spend enormously because they must be ready to fight It seems that we cannot outgrow fighting This book imagines a world in which man does not engage in war Animals are surrogates and only animals engage in fighting to the death Such practice is beneath civilized man but he is not totally removed Humans are obsessed with watching animals fight to the death The animals do not mind What happens when kids try it Once the passion for fierce fighting enters the blood can humans resist the urge to engage in war Yes they are superior to animals but can humans refrain from doing the thing they believed they were too smart to ever do **Following at a**

Struck One Fergus Hume,2020-08-04 Reproduction of the original The Clock Struck One by Fergus Hume Superlative Natalie Kristina Goldstraw,2004 Superlative depicts the expectations and uncertainties that are at the forefront of life at the end of the twentieth century and into the contemporary moment This impressive volume of verse utilises traditional ideologies and forms and yet at the same time it also establishes a unique postmodern style that is cutting and opinionated

setting the poetry a league ahead of all other modern verse There is a multitude of unparalleled themes that are confronted in this 100 plus collection of verse alongside established forms and topics The list ranging from life to death and ambition to failure is too varied and extensive to list in its entirety Humour is a primary objective of the book and one that is recurrent one fantastic example The damage is already done basks in its own self glory and is truly postmodern in its awareness of its own aptitude and magnitude Love poems are prevalent too within the collection although this is not to say that all of the love poetry is traditional The last ounce Modern day love and Oh don t get pissed again reject the style and content of the canonical love poem for something a little more postmodern As well as a variation in themes forms both traditional and original also vary to best depict or satirise the situation For example A child for the millennium uses free verse and elaborate language to parody its content that is the degenerate youth culture The result is that ironically the uneducated youth is unable to comprehend the issues that are in fact so pertinent to their lives as is the case in real life also This book is guaranteed to taunt you haunt you and leave you questioning your position in the contemporary situations that the author so ingeniously presents
