

Who are slow learners?

- ☑ **SLOW LEARNERS** are those whose standard of school work falls below that of an average child of their age.
- ☑ A slow learner has learning abilities comparable to children a stage younger than them.
- ☑ Such children need help to attend to their special **academic needs** and **not** medical or psychological ones.
- ☑ Some of these children are lucky to get a special educator to help them cope with schoolwork but most struggle for want of **special attention and teaching**.
- ☑ **Early intervention** play a crucial role in the academic growth of a slow learner.
- ☑ It is the **failure to recognize** and provide for their problems that set them back in their schoolwork.

Reddy, 1997 Contents Concept of Slow Learners Identifying Slow Learners Intellectual Development of Slow Learners Emotional Development of Slow Learners Educational Programmes for Slow Learners Teaching Language to Slow Learners Teaching Mathematics to Slow Learners Teaching of Vocational Education and Physical Education to Slow Learners Developing Creativity and Social Competence in Slow Learners Research on Slow Learners *A Study of Problems Involved in Teaching the Slow Learner to Read* Margaret Lindsay Goit, 1952 **Slow Learners** Diane Griffin, 2005-08-02 First Published in 1978 Routledge is an imprint of Taylor Francis an informa company Slow learners in the English Classroom Dr Binu P.M., 2021-12-14 A classroom is a complex world that contains a relatively heterogeneous group of students Despite their innate skills and abilities some students get unrecognized or neglected due to teachers failure in making proper assessments As a result many students who could be potential scientists or experts in any other field become dropouts or underachievers When classroom instructors only rely on test results without being very keen on using their observational skills to assess their students comprehensively they jeopardize the future of so many children during their careers Hence it would be apt to say that a child s future partially lies in the hands of their early educators This book specifically addresses the problems faced by slow learners in the English classroom It analyses the reasons that make a student a slow learner and provides valuable insights about the strategies and tools English language instructors need to employ to identify and support slow learners in their classes Although this book is intended for use by the teachers of English it will be a helpful guide for all teachers student teachers teacher trainers researchers and policymakers The Unteachables Keith A. Mayes, 2023-01-24 How special education used disability labels to marginalize Black students in public schools The Unteachables examines the overrepresentation of Black students in special education over the course of the twentieth century As African American children integrated predominantly white schools many were disproportionately labeled educable mentally retarded EMR learning disabled LD and emotionally behavioral disordered EBD Keith A Mayes charts the evolution of disability categories and how these labels kept Black learners segregated in American classrooms The civil rights and the educational disability rights movements Mayes shows have both collaborated and worked at cross purposes since the beginning of school desegregation Disability rights advocates

built upon the opportunity provided by the civil rights movement to make claims about student invisibility at the level of intellectual and cognitive disabilities Although special education ostensibly included children from all racial groups educational disability rights advocates focused on the needs of white disabled students while school systems used disability discourses to malign and marginalize Black students From the 1940s to the present social science researchers policymakers school administrators and teachers have each contributed to the overrepresentation of Black students in special education Excavating the deep seated racism embedded in both the public school system and public policy The Unteachables explores the discriminatory labeling of Black students and how it indelibly contributed to special education disproportionality to student discipline and push out practices and to the school to prison pipeline effect
