flowers feared to exhale their perfume During that night the beasts of prey did not hunt the serpents did not sting the dogs did not bay And what was even more wonderful none of the inanimate things would have disturbed the holiness of the night by lending themselves to an evil deed No false key could open a lock and no knife could shed blood In Rome on that very night a little group of people came down from the emperor's palace on the Palatine and made their way over the Forum to the Capitol During the day just completed his councillors had asked the emperor if they might not raise a temple to him on Rome's holy mountain But Augustus had not immediately given his consent He did not know if it would be pleasing to the gods for him to possess a temple next to theirs and he had answered that he wished first to discover by a nocturnal sacrifice to his genius what their wishes were Followed by a few faithful retainers he was now on his way to perform that sacrifice Augustus was carried in his litter for he was old and the long stairs to the Capitol fatigued him He held the cage of doves which was his offering Neither priests nor soldiers nor councillors accompanied him only his nearest friends Torch bearers walked in front of him as if to force a way through the darkness of the night and behind him followed slaves carrying the tripod the charcoal the knives the holy fire and everything needed for the sacrifice On the way the emperor chatted gayly with his retainers and none of them noticed the infinite silence and calm of the night It was only on reaching the open place on the top of the Capitol which had been thought of for the new temple that it was revealed to them that something unusual was occurring

Not Safe, but Good Jerry Jenkins, Sally Jon, Kevin Macnesh, 2007-07-08 In C S Lewis's classic *The Lion The Witch and the Wardrobe* Lucy asks if Aslan the lion is safe It is quickly clarified that Aslan is not safe but he is good That concept serves as the foundation for this collection of short stories While written from a Christian worldview our goal isn't comfort food for Christians or G rated stories that offer simplistic lessons Instead we're serving up stories sharpened by faith Stories that will engage challenge entertain and stretch the reader These stories aren't necessarily safe but without question they are good The stories in this book from such outstanding Christian writers as Jerry Jenkins Michael Morris Sally John and the editor Bret Lott are by no means safe Like the parables of Christ they surprise unsettle and even shock They depict doubt loss abandonment failure and betrayal as well as elation and triumph But they also deeply and meaningfully explore the human condition in relation to a God who loves us and brings us joy and hope
