Night Frequencies Sheela Kean, 2020-06-20 The world is different in the dark especially when you can't get to sleep Mysterious figures might haunt you horrible visions might plague you and sometimes it might seem like your whole world is on the wrong frequency **Friends' Intelligencer** , 1924 Sweet Stranger Berta Ruck, 1921 **The Annotated Abbott and Costello** Matthew Coniam, Nick Santa Maria, 2023-01-11 Abbott and Costello were the most popular comedians of the 1940s with burlesque inspired routines that enthralled audiences on both radio and television Oddly their films have not received the same level of attention from critics and writers as those of other comedy teams This book is a scene by scene film by film guide to their movies making a compelling case for their inclusion at the very top of comic artists Featuring new research and some surprising revelations the book introduces newcomers to the delights of this uproarious team and provides confirmed fans with the ultimate companion to their work Also included is a foreword by John Landis the celebrated director and Abbott and Costello devotee **The Christian Professor in the Secular University** Duane Victor Keilstrup, 2010-09 In this autobiography by Duane Victor Keilstrup he shares his memories of being a university professor and his religious journey as a Christian *A Day's Pleasure and Other Tales* Nigel Heseltine, 2023-05-25 A restless shape shifter from the mysterious Welsh Marches Heseltine was as elusive in his idiosyncratic writing as in his extraordinary globetrotting life It is good to have his work briefly pinned down in this groundbreaking collection for closer inspection Professor M Wynn Thomas Ceredigion a place of anarchy and farce of the grotesque and the slapstick of tragedy and violent comedy where the local hunt is disrupted by a camel riding hero where the town hall burns down as the town cheers a place haunted by grotesque revenants from the First World War This is the world of Nigel Heseltine's short stories fantastic fictions which lampoon and lament the slow decline of the once powerful squires and landowners of mid Wales the very Montgomeryshire of which Heseltine 1916 1995 formed a part Archangel: Ordeal R. A. Jones, 2009 **Scribners Monthly** , 1873 Deadly Secrets of Iranian Princes Pascal Mahvi, 2011 Every once in a while someone with unprecedented access to the truth lifts the veil in a memoir so stark and revealing that it has the power to reframe history and our perceptions of those who defined it Pascal Mahvi's book is one such to me The Deadly Secrets of Iranian Princes which spans three decades is Mahvi's candid account of his struggle growing up straddling two cultures and in the process reconciling his own identity both as an American and a descendant of Iranian royalty When the newly appointed Shah of Iran reaches out to Mahvi's father to become his chief advisor and confidante young Pascal is thrust into the controversial leader's elite inner sanctum during one of the most pivotal periods in history The author's story of survival is at once both riveting and poignant offering rare intimate glimpses of the Shah at his most human away from the glare of the spotlight It is also a window into the surprising strengths and frailties of some of the world's most famous celebrities from the deeply personal perspective of someone who unexpectedly finds himself an intimate part of their world Told through the eyes of a son forced to become a

man against a backdrop of unimaginable danger and sacrifice *Deadly Secrets of Iranian Princes* is the front page story that hasn't been broken until now. The revelations in this book from corporate treason and corrupt government to the surreal demands of being an insider in the shadow of a nuclear arms race are sure to ignite a firestorm of controversy especially for those whose betrayals will finally become public. More than a news story at its heart *Deadly Secrets of Iranian Princes* is also a haunting testimonial to the complexities of extreme privilege and the unforgettable chronicle of one man's quest to honor his father.
