Up from the Abyss Italo Savella, 2005-07 I assure you though there is nothing trite about coming down with Guillain Barr syndrome For the person hit by it s war and revolution wrapped in one A catastrophe an upheaval a devastating blow But also an invaluable experience and a possibility for renewal I wouldn t be what I am now a man at peace

with himself and the world had I not come down with and fought back from this terrible ailment But I don t want to sound excessive It isn t terminal cancer at young age or trauma induced coma and vegetative state but as Joseph Heller said it s no laughing matter either The blessing about Guillain Barr syndrome and I mean that with only a little bit of irony is that it doesn t affect the gray matter upstairs You know it s bad but you also know it can be defeated and the struggle to overcome it lends a tremendous meaning of truthfulness to the old saying That which does not kill you You know the rest It can paralyze you completely and occasionally do you in but the road back or as I imply in my title the uphill struggle from the abyss is Herculean and character forming
