Small Ceremonies:

Liminal Spaces Alex Ramon, 2009-10-02 This book offers a comprehensive reassessment of the work of Carol Shields. Arguing against enduring conceptions of Shields's fiction as celebratory domestic miniaturism, the study presents her work as more expansive and equivocal than has sometimes been recognised, reading her texts as liminal spaces situated on a series of formal and thematic borders. Close attention is paid to Shields's stylistic experimentation, to her subversions of autobiography and historiography, and to the significance of her critical writing, while works which have previously received very little analysis, such as her early poetry collections, are also examined. Intertextual links between Shields's work and that of a range of other writers, including Phillip Larkin, Iris Murdoch, Alice Munro, and Margaret Atwood, are identified and explored, and the study also draws extensively on manuscript materials which give an insight into Shields's working methods and extend debate about her experiments with narrative perspective and genre mixing. **Small Ceremonies** C.

Shields, 1996-01-01 **Small Ceremonies** Carol Shields, 2022-03-15 The superb first novel from the author of *The Stone Diaries*, winner of the Governor General's Award, a National Book Critics Circle Award, and the Pulitzer Prize, Judith Gill is a well-respected biographer who desperately wants to write fiction. When she joins her academic husband on sabbatical in Birmingham, she finds on the shelves of their rented flat the notes of a failed novelist. With considerable guilt, Judith decides to plagiarize one of the ideas and brings it home to Canada to work on. Frustrated by the creative process but determined to be more imaginative, Judith attends writing classes and later discovers that her tutor, suffering from writer's block, has ripped off her idea. Once again, Shields focuses her sharp gaze on the small ceremonies of life in this novel of rare intelligence and wit.

The Oxford Handbook of Human Development and Culture Lene Arnett Jensen, 2015-03-13 The Oxford Handbook of Human Development and Culture provides a comprehensive synopsis of theory and research on human development, with every chapter drawing together findings from cultures around the world. This includes a focus on cultural diversity within nations, cultural change, and globalization. Expertly edited by Lene Arnett Jensen, the Handbook covers the entire lifespan, from the prenatal period to old age. It delves deeply into topics such as the development of emotion, language, cognition, morality, creativity, and religion, as well as developmental contexts such as family, friends, civic institutions, school, media, and work. Written by an international group of eminent and cutting-edge experts, chapters showcase the burgeoning interdisciplinary approach to scholarship that bridges universal and cultural perspectives on human development. This cultural developmental approach is a multifaceted, flexible, and dynamic way to conceptualize theory and research that is in step with the cultural and global realities of human development in the 21st century. **The Worlds of Carol Shields** David Staines, 2014-12-02 *The Worlds of Carol Shields* is the first book to examine Shields's extraordinary career and life through the lens, both of close friends and of literary critics. Carol Shields and the Writer-Critic Brenda

Beckman-Long, 2016-01-27 Throughout her literary and critical career Canadian writer Carol Shields 1935-2003 resisted simple categorization Her novels are elegant puzzles that confront the reader with the ambiguity of meaning and narrative yet their position within Shields' critical feminist project has until now been obscured In *Carol Shields and the Writer-Critic* Brenda Beckman Long illuminates that project through the study of Shields' extensive oeuvre including her fiction and criticism Beckman Long brings depth to her analysis through close readings of six novels including the award winning *The Stone Diaries* Elliptical, open ended and concerned with women writing about women these novels reveal Shields' critique of dominant masculine discourses and her deep engagement with the long tradition of women's life writing Beckman Long's original archival research attests to Shields' preoccupation with the changing efforts of waves of feminist activism and writing A much needed reappraisal of Shields' innovative work *Carol Shields and the Writer-Critic* contributes to the scholarship on life writing and autobiography literary criticism and feminist and critical theory
