Motivation, Autonomy and Emotions in Foreign Language Learning Kata Csizér,Dávid Smid,Anna Zólyomi,Ágnes Albert,2024-11-12 This book highlights the roles of several individual difference ID variables on the language learning process exploring them from both the students and the teachers perspectives It presents the results of a large scale mixed methods investigation which was conducted with secondary school pupils and their teachers in Hungary The quantitative questionnaire data is used to analyze the English language learners motivation autonomy and self efficacy beliefs and to examine the relationships between these and a wide range of positive and negative emotions The qualitative data consisting of interviews with teachers gives voice not only to an understanding of student related ID variables but also to teachers reflections on their own cognitive affective and behavioral processes Taken together the contrastive analysis of these two datasets yields interactional results that provide fresh insights into the language learning process and practical classroom applications

Handbook of Teaching and Learning Persian as a Second Language

Hooman Saeli,2025-09-26 This collection explores relevant pedagogical and sociolinguistic topics in the teaching and learning of Persian as a foreign and second language Owing to the dearth of research in many areas pertaining to the teaching and learning of Persian this handbook provides empirically supported insights into various aspects of these areas While the

literature on teaching and learning Persian is growing the field lacks a cohesive collection on Persian as a foreign second language The book addresses issues pertaining to the standardization and validation of teaching and assessment methods which remain under explored in the contexts of teaching and learning Persian It also covers the teaching of Persian pragmatics the use of corpora as well as a range of different areas within linguistics including phonetics prosody and historical linguistics This comprehensive collection contributes substantially to the scientific study of many aspects of teaching and learning Persian which have been neglected for decades A must have text in Persian language pedagogy and Persian sociolinguistics it an essential book for those in teaching and learning in Persian language programs worldwide

Second Language Writing Instruction in Global Contexts Lisy Seloni, Sarah Henderson Lee, 2019-10-11 This book revisits second language L2 writing teacher education by exploring the complex layers of L2 writing instruction in non English dominant contexts i e English as a foreign language contexts It pushes the boundaries of teacher education by specifically examining the development of teacher literacy in writing in under represented L2 writing contexts and re envisions L2 writing teacher education that is contextually and culturally situated moving away from the uncritical embracement of Western based writing pedagogies It explores and expands on writing teacher education how language teachers come to understand their own writing practices and instruction and what their related experiences are in non English dominant contexts across the globe Chapter 4 is free to download as an open access publication under a CC BY NC ND licence You can access it here <https://zenodo.org/record/7096127/files/YymCsHbMLcs>
