Smarter Kids At Home And School:

Smarter Kids Elinor Katz,1996 **Raising Smart Kids For Dummies** Marlene Targ Brill,2011-04-22 So you wanna turn Junior into a smarty pants What parent doesn't think is kids nowadays are more independent than ever and aren't always receptive to what parents want In fact if you tell your kids that studying is good for them they're more than likely to mumble Yeah sure in your general direction and head off to do something fun Sharpening the minds of your youngsters presents more challenges than climbing Mt Everest and the responsibility of making your kids use more of their brain cells can be overwhelming even when you don't encounter resistance Raising smart kids requires long term commitment sacrifice and diligence not to mention the patience of a saint And as long as you don't obsess about being the perfect parent you will be able to enjoy your kids journey of self discovery right along with them But how do you accomplish this How do you overcome the resistance How do you tackle the overwhelming task of not only helping your children succeed in school but also increasing their ability to make their own way in the world That's where **Raising Smart Kids For Dummies** steps in to help Written in easy to understand terms and absolutely no slick psycho babble this book gives you sound advice on encouraging your kids to set their sights high and achieve success whether at school with friends or in your community And you don't have to be a new parent to gain insight from this book experienced parents can reap rewards with the help of this book in their effort to raise fulfilled children Here's just a sampling of what you'll find in **Raising Smart Kids For Dummies** Recognizing the characteristics of smart kids Knowing when to push and when not to Disciplining your kids in a positive way Growing smarter kids from healthier bodies Planning the development of your kids brains From newborns to teenagers Taking your smart kids beyond high school Eliminating brain drain from school skipping drug abuse and raging hormones Top Ten lists of family characteristics that nurture smart kids what smart kids read and resources for bolstering parents confidence You've heard it said a thousand times The children are the future Children have such potential but rarely live up to it Why take this chance with your own kids Make the commitment to prepare your kids for life on their own With **Raising Smart Kids For Dummies** you too can achieve success and have a little fun along the way **Smart Schools, Smart Kids** Edward Fiske,1992-09 A revolution in education is sweeping across America **Smart Schools Smart Kids** takes readers into dozens of pioneering schools across the country to describe successful programs and how they work the problems they have encountered and the results they have achieved Innovative reformers are transforming every aspect of the nineteenth century factory model school into a new kind of public school capable of educating kids for twenty first century challenges **Smart Schools Smart Kids** shows how It is a book that is sure to be warmly welcomed by parents teachers administrators and public officials alike who want to improve education for their own and for all of America's children This nation can no longer afford to wait for change **Smart Schools Smart Kids** will make a real difference now Book jacket **Smart Kids, Bad Schools** Brian Crosby,2025-09-23 In **Smart Kids Bad Schools** award winning author and educator Brian Crosby draws on his twenty

years as a high school English teacher to offer a candid appraisal of why our schools are failing and what we must do to save them Crosby's no holds barred critique of the broken education system leaves no stone unturned he is unapologetic and uncompromising in his exposé of how teachers administrators unions and parents all play a part in this national tragedy Crosby offers 38 ideas to save America's future and his proposed remedies are revolutionary He recommends bold measures such as lengthening the school day and school year forcing parents to volunteer at schools abolishing homework outlawing teachers unions and cutting special education funding The result is a book that is likely to inflame passions on all sides of the political spectrum and in the process introduce new ideas to a debate that is in dire need of them
