Camilleri, 2020-08-20 When an elderly man is stabbed to death in an elevator and a crewman on an Italian fishing trawler is machine gunned by a Tunisian patrol boat off Sicily's coast only Inspector Montalbano suspects a link between the two incidents His investigation leads to the beautiful Karima an impoverished house cleaner whose young son steals other school children's mid morning snacks But Karima disappears and the young snack thief's life as well as Montalbano's is endangered when the inspector exposes a viper's nest of government corruption and international intrigue

case for the genre as an instrument of social critique and analysis of a still elusive Italian national identity thus bringing further evidence in support of the thesis that in Italy detective fiction has come to play the role of the new social novel

The Foreign in International Crime Fiction Jean Anderson, Carolina Miranda, Barbara Pezzotti, 2012-06-14 Reading texts from across the world this book examines the depiction of the foreigner in popular 20th and 21st century crime writing
