some ties to conventional animation looking instead to high art and graphic design as a means of creating new animated forms which resulted in films that received multiple Academy Award nominations and two awards Throughout his life Kimball was a maverick animator an artist who helped define the field of American animation and a visionary who sought to expand the influence of animated films *U.S. Department of Transportation Federal Motor Carrier Safety Administration Register*, 2007-05-07 **Skiing**, 1987-11 *Investigation of Attempts to Subvert the United States Armed Services* United States.
