world of The Order lies betrayal and secrets become the twisted threads weaving the tapestry of Forest Blackburn's tumultuous existence. Once a noble Untouchable, she now stands as a martyr, an unwilling symbol of defiance in a world governed by privilege and oppression. As she grapples with the impending loss of self control and the enigmatic forces that threaten to unravel her life, spirals into a chaotic dance of power and manipulation. Forest's struggle intensifies as she endeavors to shield the Unfortunates, those who once bowed at her feet from the encroaching darkness orchestrated by the leaders of her society. The impending shadows of those in control loom ever closer, casting doubt on her ability to maintain her precarious position above the tumultuous waters of societal upheaval. Forced into an unholy alliance with the very person responsible for her life's disintegration, Forest finds herself entangled in a dangerous game where every move could be her last. As she confronts her own demons and battles against the relentless onslaught of external threats, the line between friend and foe blurs, leaving her teetering on the brink of collapse. In this dark, sexy, and twisted second installment, the quest for freedom becomes a double-edged sword threatening to either save those Forest loves or obliterate everything in its relentless path. As alliances shift, secrets unravel, and desires entwine, Forest must navigate the treacherous landscape of her existence, wondering if the need for freedom will be the salvation of those she cherishes or the harbinger of their ultimate demise. Will she emerge from the shadows triumphant, or will the demons that haunt her prove to be an inescapable force dragging her down into the abyss. The stakes are higher, the dangers more profound, and the game has only just begun. *One Mindful Day at a Time* Dr. Alan Wolfelt, 2017-11-01 For most of us, life is way too hectic.
