Community That Is Christian Julie A. Gorman,2002-06-01 Over the past thirty years there has been a boom in small groups both in society at large and within the church From Bible studies to MOPS to Alcoholics Anonymous it is estimated that four out of ten Americans belong to a small group that meets regularly for the care and support of its members But are these groups creating true biblical community or do they settle for self focus and personal gain Julie Gorman has studied small groups for decades and presents her analysis insights and suggestions in Community That Is Christian an essential resource for building community in church based small groups This comprehensive book serves both as a text for those who

equip leaders or lead small groups and as an interactive manual for small group members helping them transform their relationships into Christ centered community The book begins with biblical support for coming together contrasting it with our often individualistic mind set that undermines community Gorman then sets forth the goals of community and describes the process of transformation She draws from extensive research to address the why and the how of small group ministry giving special attention to gender and cultural distinctions Community That Is Christian provides readers with charts discussion questions and inventories to further help them establish community within their small groups Male Envy Mervyn Nicholson,1999-01-01 Taking as his central argument that relations between males in western society are deeply colored if not actually determined by envy Mervyn Nicholson ranges across disciplines and eras in a fascinating utterly unique analysis of this taboo subject This book presents a series of motifs that are associated with male envy locating each in a particular historical context and illustrating it with examples drawn from literature film and popular culture Unlike earlier treatments of envy by psychoanalysts or feminist theorists this book moves beyond mere illustration of the problem to actually construct a theory about how the code of Male Envy shapes social consciousness in modern culture A truly pathbreaking work Male Envy merits a close reading by gender theorists literary critics and social psychologists **New Books on Women and Feminism** ,1988 *Manhood in America* Michael S. Beschreibung eines individuellen Zustands Welche Dimensionen umfasst Individualisierung? Lässt sich eine Individualisierung in verschiedenen Handlungsbereichen z.B. Partnerschaft Berufsausbildung Freizeitverhalten Wahlverhalten beobachten? Bestehen Korrelationen zwischen dem Ausmaß individualisierten Verhaltens in diesen Verhaltensbereichen? Welche Beziehung besteht zwischen dem Prozess der Individualisierung und dem der Modernisierung? Folgt man Lepsius (1988: 218) so sind die Analysen der Modernisierung von zwei Schwächen geprägt. Zum einen ist es die Unklarheit der Indikatoren und der Messung angesichts fehlender Zeitreihen Daten zum anderen die empirisch nicht belegte Annahme einer simultanen Veränderung in unterschiedlichen Dimensionen. Wenn aber keine simultane Veränderung nachweisbar ist sondern vielmehr ungleichzeitiger Wandel einzelner Bereiche welcher Teilprozess führt dann zu einer stärkeren Individualisierung? 4. Variiert das Ausmaß der Individualisierung mit dem sozialen Status sei es bei Bildung Einkommen oder Macht gemessen? Welche geschlechtsspezifischen Unterschiede lassen sich nachweisen? 5. Welche gesellschaftlichen Bedingungen sind es genau aus denen Zwängen das Individuum entlassen wurde und wichtiger noch in welcher Form haben sie das Verhalten der Individuen beeinflusst? Es sind demnach sowohl die Art der Verhaltensrestriktionen als auch deren Wirkungsmechanismus zu bestimmen. Die Beiträge dieses Bandes nehmen diese Fragen auf und vereinigen theoretisch methodologische Arbeiten und theoretisch empirische Analysen. **Philosophy of Science Association Newsletter** Philosophy of Science Association, 1989
