**To the Budding Creative Writer. A Handbook** Roselyne M. Jua,Bate Besong,2009 To the Budding Creative Writer A Handbook is designed to help young writers come to grips with questions and problems relative to their creative efforts The authors discuss a range of topics providing guidelines on such issues as style technique point of view characterization poetic diction figurative language denotation and connotation etc They equally offer useful critical comments on some of the works of accomplished African writers whom they cite as models for beginning writers fusing literary creativity with literary criticism All along the co authors stress the centrality in imaginative writing of both the what and the how or matter and manner and how to combine both to good effect      **Nwanyiibu** Phaniel Akubueze Egejuru,Ketu H. Katrak,1997

**Ecocritical Approaches to Literature in French** Douglas L. Boudreau,Marnie M. Sullivan,2015-12-24 Ecocriticism is a critical approach that focuses on the representation in literature of the non human elements of the natural world a method of inquiry that has been largely limited to literature written in English The aim of Ecocritical Approaches to Literature in French is twofold to introduce ecocriticism to scholars of French language literature and to open ecocriticism to the vision and voices of French literature The chapters look at work not only from France but also from North America the Caribbean and Africa The discussions include fiction poetry film and pedagogy The goal of the collection is to demonstrate not only the applicability of ecocritical inquiry to literature in French but to demonstrate the possibilities of ecocritical theory on the study of French literature and also for ecocriticism itself This collection will be a useful resource both for scholars of French language literature and also for ecocritics who may have had only limited contact with literatures in languages other than English

**Women Imagine Change** Eugenia DeLamotte C,Natania Meeker,Jean F. O'Barr,1997-09-24 This global multicultural anthology shows how women from some thirty countries across twenty six centuries have found ways to resist oppression and gain power over their lives Organized around themes of concern to contemporary readers Women Imagine Change explores relationships between women s sexuality and spirituality women s interlinked s      *The American Medical Association on the Case for Teaching Racism* Francis Kwarteng,2021-04-26 The public lynching of George Floyd re exposed the rotten underbelly of America and this together with the disproportionate impact of COVID 19 on Black and Brown communities the global Black Lives Matter protests and the racist xenophobic demagoguery of Donald Trump resurrected the old debates about medical racism race relations implicit bias vaccine nationalism vaccine imperialism structural inequality police brutality vaccine hesitancy unethical human experimentation

vaccine diplomacy qualified immunity conspiracy theories and social justice Then in 2020 the American Medical Association formally declared racism a public health crisis defined racism as a social determinant of health and embraced the idea of medical schools teaching medical students about racism Alas the nursing curriculum is somewhat silent on these questions Decolonizing the nursing curriculum long overdue is therefore imperative This book explores the question of decolonizing the nursing curriculum from the angles of postcolonial theory critiquing the Western literary canon American history literary criticism African literature cultural criticism Afrocentric theory democracy African American literature and critical race theory Epistolarity and World Literature, 1980-2010 Rachel Bower, 2017-09-29 This book examines the striking resurgence of the literary letter at the end of the long twentieth century It explores how authors returned to epistolary conventions to create dialogue across national linguistic and cultural borders and repositions a range of contemporary and postcolonial authors never considered together before including Monica Ali John Berger Amitav Ghosh Michael Ondaatje and Alice Walker Through a series of situated readings the book shows how the return to epistolarity is underpinned by ideals relating to dialogue and human connection Several of the works use letters to present non anglophone material to the anglophone reader Others use letters to challenge policed borders the prison occupied territory the nation state Elsewhere letters are used to connect correspondents in different cultural and linguistic contexts Common to all of the works considered in this book is the appeal that they make to us as readers and the responsibility they place on us to respond to this address By taking the epistle as its starting point and pursuing Auerbach's speculative ideal of *weltliteratur* this book turns away from the dominant trend of distant reading in world literature and shows that it is in the close situated analysis of form and composition that the concept of world literature emerges most clearly This study seeks to re think the ways in which we read world literature and shows how the literary letter in old and new forms speaks powerfully again in this period
