Pierscieniak,2013-12-13 After a not so brief absence from South America I returned and picked up exactly where I had left off exactly where I d begun originally in smoggy Lima Only this second time I angled north for the equator The north of Peru is strikingly different from the south and yet again like once before I struck up the most interesting acquaintanceships in a Plaza de Armas Ecuador came next there I discovered the whole continent in miniature but nothing except tourist gimmicks to delay me I crossed the next border with rare trepidation because the land of coffee cartels and cocaine Colombia was enjoying such an unsavory reputation But it proved one of the most extraordinary countries that I ve ever set foot in My heart had never felt so heavy as when I took the first step into Venezuela There I could have lingered longer visited more places but a strike paralyzed the cities and it had seemed prudent to leave while I could Panama getting in was a lot more exciting than being in Nicaragua tiny islands half lost far off at sea Honduras good roads and donuts El Salvador a tragic country whose people have suffered through everything yet refuse to give in to despair Guatemala everybody s favorite corner of Latin America Antigua Chichicastenango and El Mirador Big Mama on Caye Culker Belize Mexico too many kilometers on too many buses in too few days Travelogue02 swings through every country south of the Rio Grande eighteen in all except the Guianas The author is nobody special he s just of a new breed of travel writers And his Travelogues are for a new breed of readers normal contemporary sorts of people like and my neighbor Tom feeding their curiosity for curiosity s sake taking armchair voyages through countries that until a few years ago were virtually unknown to the outside world While bookshop shelves tend to sag under the weight of stories about places not journeys the latter are far more fascinating Few books today capture the essence of what it is like to travel Having established himself with the original bold what s it really like Out There anthology the author does exactly that Each Travelogue offers its reader more than the old tired travel diary Just like each one of the author s trips turned out most unusual these books too are out of the ordinary They re collections of short stories each capturing a particular moment some are funny some emotional some suspenseful some downright silly and each one is very different from every other They are snapshots of people and places and adventures that had been recorded in words rather than by multicolored pixels of a digital point and shoot What makes them unreal is that all these stories are 100% true Seriously you couldn t make this stuff up even if you wanted to None of it is this normal cut and dry stuff Every story offers a fresh insight a totally different perspective On the beaten path and off of it against the backdrop of the exotic anything can happen and it usually does More often than not these stories are set in villages kilometers apart but there s never telling what might happen next The author doesn t care where the journey might take him it s all about the experience of being Out There He s simply following his passion for discovering and exploring For Travelogues readers the books are a jaunt into the unknown It s the journey and not the destination that matters **Authorized Biography of Jesus, Mary, Joseph and**

Library of fiction. 2nd-5th ser Library, 1889 Surviving Twilight Shane A. Bernskoetter, 2005 Plunge into the life of a young Army Reserve soldier as he leaves his civilian life to deploy to Baghdad Iraq in support of Operation Iraqi Freedom His journey begins in Fort Riley Kansas and continues at Log Base Seitz where Sergeant Bernskoetter spends the next year fixing weaponry and trying to stay alive one day at a time Relive Sergeant Bernskoetter's experiences through vivid daily journal entries detailing life deep in the heart of a country torn by hatred and violence Join him on this trip into terrifyingly unfamiliar territory and straight into a year of darkness as only he can tell it Always Another Mountain Danie Martin, 2005-02 The author's journal as she backpacked the Appalachian Trail in 2004 Starting alone from Springer Mountain Georgia she travels over 2000 miles to reach Mount Katahdin Maine six months later Danie Martin is a librarian now living in Philadelphia from jacket text Sophocles: The Philoctetes (2nd ed. 1908) Sophocles, 1908 *With the 2nd Cape Corps Thro' Central Africa* Abe James Bourne Desmore, 1920 **Central Asia and Tibet Towards the Holy City of Lassa** Sven Anders Hedin, 1903 **The Somme Campaign** Andrew Rawson, 2014-07-22 The five and a half month long Somme campaign in the summer and autumn of 1916 was a defining moment in the history of the British Army From the disastrous opening day on 1 July to the final attacks in November each large battle and minor action is given equal treatment inside these pages The book concentrates on the British Army's repeated efforts to first break through the enemy lines and then to wear down the German in a bloody war of attrition By compiling information from the Official History and the printed histories we get a balanced view of the most talked about side of the campaign the British side You will find plenty of information on the reasoning behind each battle and the objectives There is discussion on artillery bombardments tactics zero hours the terrain and insights into the successes and failures of each attack Over ninety new maps chart the day by day progress of Fourth and the Reserve Army across the rolling chalk downs of the Somme Together the narrative and maps provide an insight into the British Army's learning curve during that fateful summer a learning curve which set the scene for future battles on the Western Front We can see the hard lessons learnt and the solutions used to solve a multitude of problems from communication and all arms co operation to the inclusion of tanks and the growing role of the Royal Flying Corps Where possible the men who made a difference are mentioned the men who lead the assault companies and bombing teams those who cut the wire and led the survivors into the German trenches those who stopped the counterattacks and those awarded the Victoria Cross Discover the real Somme campaign fought by the British Army and learn how its brave soldiers fought hard to achieve their objectives Dis/figuring Sam Shepard Johan Callens, 2007 This illustrated volume covers the career of Sam Shepard the provocative American playwright scriptwriter actor and director through an introductory survey followed by in depth analyses of representative selections from the one acts *Action States of Shock* experimental collaborations with Joseph Chaikin *Savage Love* and by now classic family plays *Buried Child* *A Lie of the Mind*

It ranges from Shepard's unpublished adaptation of Marlowe's *Doctor Faustus* through the textual variants and political context of *Operation Sidewinder* to Robert Altman's movie version of *Fool for Love* besides offering brief comparisons with fellow dramatists Albee and Beckett and visual artists Edward Weston Marsden Hartley. Several performance analyses supplement the textual criticism and provide a sample of European directorial approaches. Together these takes offer a composite picture of an artist whose output over the past forty years has turned him into a figurehead of twentieth century drama studied and produced all over the world with a keen eye for his idiosyncratic and critical view of what it means to be American.
