## So What:

So What? Kevin Duncan, 2008-02-28 So What gets straight to the point so you can cut through the noise and nonsense of work. Much of what we learn in our formative years is unlearned in later life. As grown-ups we are often unable to answer the simplest of questions in a clear, direct way and frequently have no idea why we are doing something. This can lead to crippling inefficiency in business and goes some way to explaining why so many people spend so much time doing things that have no bearing on the true purpose. By behaving in a genuinely inquisitive way you can get right to the heart of the matter and save yourself hours, days and even months of anguish. The questions So what, Why, How and When can be hugely effective when applied in the right context and this book shows you how to use them. Once all the right questions have been posed there is a final, sure-fire method for testing whether something is relevant and helpful. By completing the sentence 'Something must be wrong if it is simple to work out if you are wasting your time.' For example, 'Something must be wrong if I don't want to go to work in the morning.' So What shows you how to become truly inquisitive again. So let the questions roll. Pay attention to what the answers are. Learn from them and you will immediately improve your prospects of finally getting somewhere in life. **So**

**What's Next!** G. J. Griffiths, 2014-05-03 Molly Pearson is a young Biology teacher with two passions in her life: a strong commitment to protecting wildlife and a desire to encourage the children in her classes to feel the same enthusiasm for Nature. When her class decide they would like to restore the school's neglected and vandalised nature corner, her hopes are raised and challenged at the same time. The hurdles that she meets along the way will include bullied and bullying pupils as well as the expected ones of finance and willing manpower. But leaping those fences does not prepare the ambitious Molly for a dramatic fire and the confusion of a new passion in her life in the form of Oliver Shrimpton. Will he become that significant someone or is he just another obstacle for her to overcome? G. J. Griffiths' latest novel in the So What series of stories is still based firmly around the events that take place within the walls of Birch Green High School. It follows some of the trials and tribulations of Molly Pearson, a previous novice teacher who was mentored by Robert Jeffrey, the main character from the first book. Molly's efforts to spread the important message about protecting wildlife and the natural environment reflect something that has always been important to the author. For that reason, some of the proceeds from the sales of this book will be donated to wildlife charities. Although this book is an exciting novel telling the story of schoolchildren who want to protect garden wildlife, it also contains several chapters towards the end with plenty of helpful information for lovers of nature and who want to take a fresh look at making their garden a wildlife garden. *So What Wisdom* Richard Van Yperen, 2022-08-24

Proverbs provides compelling answers to the questions: What is godly wisdom and Why should one get it? But at the end of one's life, answers often address the past, not eternity. Godly wisdom allows one to thrive in a sinful world. However, Solomon's teaching in Proverbs was limited as Jesus Christ had not yet entered the world. Old Testament wisdom established a pathway that would lead to a destination through the redemptive death and resurrection of the one who is the way, the truth and the

life John 14 6 for all who believe in Jesus Christ Without Jesus Christ as the embodiment of eternal godly wisdom we are likely to slip into trying to apply the wisdom of Solomon to perform our way through life like the Pharisees The premise of this book is that Solomon s teaching about the beginning of wisdom is completed in Jesus Christ as shown in John s Gospel and applied in James s letter to the twelve tribes scattered among the nations James 1 1 The author examines what why and so what answers that Jesus modeled taught and promised about godly wisdom He also explores James s eight so what practices for developing wisdom with an eye toward eternity So What Do You Think?
