So What Do I Do Now:

So What Do I Do Now? Jeanne Taylor McClellan, 2021-02-22 It all began with a conversation It was a lovely late spring evening and my husband and I were considering where our life together was going The kids were well on their own Our grandchildren were in college and or on their way We were settled comfortably into a life of part time work and travel and expectations of new adventures On the other hand we realized that the house was now too big for just the two of us and its upkeep was taking more time and energy than we wanted to expend We began to explore our possibilities We needed to make decisions Do we move or stay put What do we tell the family Can we afford to retire now And most importantly what will we do So What Do I Do Now is a collection of personal stories and practical advice for those of you who are loving your retirement experience for those of you who are dreading this next phase of your life and for those of you just beginning to consider retirement As you read these thoughts on retirement you will be guided to make the decisions that will help you navigate this next adventure and to find your own answers to What Do I Do Now

Woman's Work for Woman ,1879 Spiritual Warfare Ellis Smiley,2016-05-11 Have you struggled with living the Christian life victoriously Author Ellis Smiley discusses the challenges we face when we make the commitment to follow the Lord Our sinful mind and character will follow our selfish desires unless we are changed from within by the power of the Holy Spirit We are in a conflict for the salvation of our very souls and we find that the worst enemy is our self The struggle of giving in and letting God take control of our selfish willful mind is the essence of Spiritual Warfare The warfare against self is the greatest battle that was ever fought The yielding of self surrendering all to the will of God requires a struggle but the soul must submit to God before it can be renewed in holiness White Steps to Christ p 43 Smiley reminds us of many key truths that we should be aware of to win the war Along with the thoughtful consent we must give God to work out His will in our lives we must keep our thoughts focused on pure and righteous content We must live our lives as if in God s actual presence Giving of ourselves to the service of others is also an important factor in living the selfless life of which God asks us These ideas and more are explored to deepen our understanding of the battles we face in the life we choose to live with the Lord s help until He returns as our victorious Leader to take us home once and for all
