*Zaire, Post Report* United States. Department of State,1983 Mr. China's Son Liyi He,2018-02-19 He Liyi belongs to one of China s minorities the Bai and he lives in a remote area of northwestern Yunnan Province In 1979 his wife sold her fattest pig to buy him a shortwave radio He spent every spare moment listening to the BBC and VOA in order to improve the

English he had learned at college between 1950 and 1953 For further practice he decided to write down his life story in English Humorous and unfiltered by translation his autobiography is direct and personal full of richly descriptive images and phrases from his native Bai language At the time of He Liyi s graduation English was being vilified as the language of the imperialists so the job he was assigned had nothing to do with his education In 1958 he was labeled a rightist and sent to a reeducation through labor farm Spirited away by truck on the eve of his marriage Mr He spent years in the labor camp where he schemed to garner favor from the authorities who nevertheless shamed him publicly and told him that all his problems belong to contradictions between the people and the enemy After his release in 1962 the talented Mr He had no choice but to return to his native village as a peasant His stratagems for survival which included stealing nightsoil from public toilets and extracting peach pit oil from thousands of peaches personify the peasant s universal struggle to endure during those difficult years He Liyi s autobiography recounts nearly all the major events of China s recent history including the Japanese occupation the Communist victory over the Nationalists in 1949 Mao s disastrous Great Leap Forward and Cultural Revolution the experience of the labor camps and changes brought about by China s dramatic re opening to the world since Deng Xiaoping came to power in 1978 No other book so poignantly reveals the travails of the common person and village life under China s tempestuous Communist government which He Liyi ironically refers to as Mr China Yet he describes his saga of poverty and hardship with humor and a surprising lack of bitterness And rarely has there been such an intimate frank view of how a Chinese man thinks and feels about personal relationships revealed in dialogue and letters to his two wives He Liyi s autobiography stands as perhaps the most readable and authentic account available in English of life in rural China He Liyi s previous book is *The Spring of Butterflies* London and New York 1985 a translation of Chinese folk tales
