Tamney, 2002-02-11 The recent growth and popularity of conservative churches contradicts the idea that late modern societies have outgrown the need for such relics of the past as traditionalist religions In this book Joseph Tamney offers an explanation for this this apparent incongruity by looking at the case of growing popular conservative Protestant congregations in the United States His findings represent a synthesis of ideas from supporters of secularization theory and from those who stress the competitive market of churches in America as a factor in church growth Beyond the Worship Wars Thomas G. Long, 2001-04-01 Almost every congregation is experiencing tension over worship Many congregations have been participating in a renaissance of worship known as the liturgical movement and have reclaimed worship forms that have served the church for centuries Yet because the church today is operating in a radically changed cultural environment many people in our society do not understand liturgical worship and thus we must find language music themes and images that speak to the unchurched spiritually seeking person In Beyond the Worship Wars Thomas G Long discusses the nine characteristics of vital and faithful worship practiced by a wide range of third way congregations all characteristics that Rick Warren & the Modern Church Armin Hammer, 2007 make for vital and faithful worshi *Rethinking the Mosque In* the Modern Muslim Society Mohamad Tajuddin Mohamad Rasdi, 2014 **Student Ministry 101** Stewart Flageolle, 2023-02-04 Anger frustration and confusion Chaos and stress Joy love and grace All of these are the emotions I have felt in student ministry Even right now as I sit here in my office writing I find myself planning and preparing for the emotions that will come from student ministry Preparing my mind and my heart for any of these or a mixture of them all I know I will experience them In this book we will navigate what student ministry looks like and how to handle everything that comes with it Rethinking Early Christian Identity Maia Kotrosits, 2015 Revision of author's thesis Ph D Union Theological Seminary 2013 under title Affect violence and belonging in early Christianity From This Day Forward--Rethinking the Christian Wedding Kimberly Bracken Long, 2016-06-01 Weddings have become a billion dollar industry with the average cost of a wedding estimated at 30 000 Taking into account dramatic shifts in attitudes toward marriage in recent years many pastors are confused and frustrated about their role This book offers a foundational understanding of marriage for today s North American church Exploring current sociological analyses of marriage and the history of Christian marriage rites Kimberly Bracken Long suggests that the church rethink its involvement in weddings and offers a distinctively Christian understanding of marriage Today's church Long contends needs to reinterpret classic biblical metaphors and expand the

Eisen, 1998 Arnold Eisen here calls for a fundamental rethinking of the story of modern Judaism More than simply a study of Jewish thought on customs and rituals Rethinking Modern Judaism explores the central role that practice plays in Judaism's encounter with modernity Fascinating an insightful entrance point to understanding the evolution of the theologies of America's largest Jewish denominations Tikkun I know of no other treatment of these issues that matches Eisen s talents for synthesizing a wide variety of historical philosophical and social scientific sources and bringing them to bear in a balanced and open minded way on the delicate questions of why modern Jews relate as they do to the practices of Judaism Joseph Reimer Boston Book Review At once an incisive survey of modern Jewish thought and an inquiry into how Jews actually live their religious lives Mr Eisen s book is an invaluable addition to the study of American Judaism Elliott Abrams **Loosing Control** Ronald D. Anderson, 2015-05-28 Leaders of congregations want to foster change but Washington Times how is rarely obvious Some pursue top down approaches while others think bottom up Either approach assumes some control by the leader but effective leadership of change needs more than control it requires influencing the ongoing change that is naturally occurring In the organizational literature this matter is understood in terms of systems and more specifically complex adaptive systems or self organizing systems This literature has important insights for church leaders when viewed in tandem with biblical principles These concepts are presented here within the story of a mid career pastor who is frustrated by his complacent congregation and is seeking a new way forward Information on complex adaptive systems is presented in the context of the story of his interactions with a church consultant a seminary professor some published materials and an

ongoing seminar conducted by the consultant The pastor's engaging issue is whether change in a church is best pursued top down or bottom up Within this context self organizing change becomes the central focus of the book and eventually is distinguished from both top down and bottom up initiatives The focus is understanding the connection between such change **Rethinking Baptism** Stanley K. Fowler, 2015-09-14 Baptism may be more important than you and biblical principles think Virtually every Christian tradition practices baptism but with diverse understandings of its form and meaning Baptists and similar traditions have emphasized the restriction of baptism to confessing believers and immersion as the mode and they have usually interpreted baptism as a post conversion act of human obedience rather than a sacramental means of grace In this book a Baptist theologian calls for a reformation of Baptist thought and practice arguing that a biblical theology of baptism interprets baptism as a sacramental seal of conversion The book develops the biblical case for this perspective and answers questions about its practical implications **So You Think You're A Christian?** Anthony "Phil" Philip,2025-08-08 Having been raised Catholic all my life I knew that something was missing about my belief This may have been a blessing in disguise Of those who I have come to know in the past decade or so who have been raised on the Bible most have a harder time facing the truth due to the depth of their indoctrination The Christian faith has been infiltrated and corrupted By whom and how and when will be covered It may shock or even enrage you depending on the depth of your faith Our feelings need not apply This is about truth not feelings The truth is my only goal FOREVER IS A LONG TIME **Youth Ministry Nuts** and Bolts, Revised and Updated Duffy Robbins, 2010 To help youth workers paid and or volunteer think through some of the key issues related to the administrative issues of youth ministry
