Bracken, Susan M. Hill, 2016-05-06 This reference book is designed as a road map for researchers who need to find specific information about American mass communication as expeditiously as possible Taking a topical approach it integrates publications and organizations into subject focused chapters for easy user reference The editors define mass communication to include print journalism and electronic media and the processes by which they communicate messages to their audiences Included are newspaper magazine radio television cable and newer electronic media industries Within that definition this volume offers an indexed inventory of more than 1 400 resources on most aspects of American mass communication history technology economics content audience research policy and regulation The material featured represents the carefully considered judgment of three experts two of them librarians plus four contributors from different industry venues The primary focus is on the domestic American print and electronic media industries Although there is no claim to a complete census of all materials on print journalism and electronic media what is available is now too vast for any single guide the most important and useful items are here The emphasis is on material published since 1980 though useful older resources are included as well Each chapter is designed to stand alone providing the most important and useful resources of a primary nature organizations and documents as well as secondary books and reports In addition online resources and internet citations are included where possible      *Beyond Prime Time* Amanda Lotz, 2010-04-02 Daytime soap operas Evening news Late night talk shows Television has long been defined by its daily schedule and the viewing habits that develop around it Technologies like DVRs iPods and online video have freed audiences from rigid time constraints we no longer have to wait for a program to be on to watch it but scheduling still plays a major role in the production of television Prime time series programming between 8 00 and 11 00 p m has dominated most critical discussion about television since its

beginnings but *Beyond Prime Time* brings together leading television scholars to explore how shifts in television's industrial practices and new media convergence have affected the other 80% of the viewing day. The contributors explore a broad range of non prime time forms including talk shows, soap operas, news syndication and children's programs, non series forms such as sports and made for television movies as well as entities such as local affiliate stations and public television. Importantly all of these forms rely on norms of production financing and viewer habits that distinguish them from the practices common among prime time series and often from each other. Each of the chapters examines how the production practices and textual strategies of a particular programming form have shifted in response to sweeping industry changes, together telling the story of a medium in transition at the beginning of the twenty first century. Contributors: Sarah Banet Weiser, Victoria E. Johnson, Jeffrey P. Jones, Derek Kompare, Elana Levine, Amanda D. Lotz, Jonathan Nichols, Pethick Laurie Ouellette, Erin Copple Smith.

*Word Warrior* Sonja D. Williams, 2015-08-30. Posthumously inducted into the National Radio Hall of Fame in 2007, Richard Durham creatively chronicled and brought to life the significant events of his times. Durham's trademark narrative style engaged listeners with fascinating characters, compelling details and sharp images of pivotal moments in American and African American history and culture. In *Word Warrior*, award winning radio producer Sonja D. Williams draws on archives and hard to access family records as well as interviews with family and colleagues like Studs Terkel and Toni Morrison to illuminate Durham's astounding career. Durham paved the way for black journalists as a dramatist and a star investigative reporter and editor for the pioneering black newspapers the *Chicago Defender* and *Muhammed Speaks*. Talented and versatile, he also created the acclaimed radio series *Destination Freedom* and *Here Comes Tomorrow* and wrote for popular radio fare like *The Lone Ranger*. Incredibly, his energies extended still further to community and labor organizing, advising Chicago mayor Harold Washington and mentoring generations of activists. Incisive and in depth, *Word Warrior* tells the story of a tireless champion of African American freedom, equality and justice during an epoch that forever changed a nation.

**Soap Operas Worldwide** Marilyn J. Matelski, 1999. While the American soap opera is known primarily for its marketing value, producers, health professionals, politicians and rebels elsewhere focus on the serials' potential for social change. African Indian and South American serials offer information on family planning, child protection and AIDS; a Mexican telenovela parallels a government murder scandal; the program is so popular the state dare not censor it. In Russia, South American novelas are so popular that Boris Yeltsin manipulates programming to affect voters on polling day. Here is an examination of the economic and social impact of the soap opera with projections for the future. A chapter for each of the nine regions of the world offers demographic statistics of major countries, audiences, radio and television usage, stations available and synopses of the most popular serials.

*Ebony*, 1988-11. EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American focused magazine.
