Soccer Mad Omnibus:

Soccer At Sandford Rob Childs, 2014-07-30 Jeff Thompson is delighted to be picked as captain of Sanford Primary School's football team. With an enthusiastic new teacher and a team full of talent not least that of loner Gary Clarke with his flashes of goal scoring brilliance he is determined to lead Sandford to success. Their goal is the important League Championship and their main rivals are Tanby who they must first meet in a vital Cup tie. From kick off to the final whistle through success and disappointment penalties and corners to the final nail biting matches of the season follow the action and excitement as the young footballers of Sandford Primary School learn how to develop their skills and mould together as a real team a team who are determined to win by playing the best football possible. *Omnibus*, 1988 *Initial D Omnibus 1 (Vol. 1-2)* Shuichi Shigeno, 2024-03-19 Takumi Fujiwara spends a lot of time behind the wheel. His tofu delivery job sends him racing down the treacherous roads of Mount Akina and without even realizing it Takumi has mastered racing techniques that take most drivers a lifetime to learn. Of course none of his friends realize this. They're all too busy watching the Akina Speed Stars the local street racing team. When the legendary Red Suns show up to challenge the Speed Stars the rival team obsesses over a phantom car the Trueno Eight Six seen racing through the mountain roads. Who is the driver and will they take on the dangerous challenge? This edition is still running in the 90s but features a refreshed translation and lettering for the 2020s as well as a special large size. *The Rare Trilogy Omnibus* Diane Anthony, 2022-11-06 This omnibus edition of *The Rare* series brings the entire trilogy together in one volume. *The Rare* Olivia Sloane doesn't want to live anymore. Her whole life is a struggle. Her health, her school, her social life and even her relationship with her mother are all a mess. The world itself is a mess. With lethal acid rain and stifling ever present fog nothing thrives in her home city and it's even worse outside or so she's been taught. Her best friend David also has a hard life but he has hope. He's convinced that there's something better hidden beyond the fence surrounding their city and has always suggested escaping together. Olivia has never taken it seriously. But after a failed suicide attempt her stay in the mental ward leads to a series of suspicious encounters with her mother and a fight at school. Feeling like there is nothing left to lose she decides to give David's idea a shot. Despite their poor health and reports of killer beasts Olivia and David brave the wilderness. The truth they discover there not just about their society but about themselves is more astonishing than anything they ever imagined. *The Remnant* Now that Olivia and David have discovered that their life in the city was a lie their pursuit of the truth gives them a newfound purpose. Is there more to their Rare abilities than what they've discovered so far? Is there something about them that the government is trying to keep hidden? Taken captive and tortured by her oppressors Olivia narrowly escapes with help from an unexpected source. She rejoins what's left of her new friends only to find their home destroyed and coalition forces closing in to finish them off. Running for their lives they set out on a desperate quest to find the Haven a mysterious city that is rumored to be harboring and protecting Rares. This journey will take them deep into the wilderness and bring them to the edges of

another coalition stronghold before they find their way But the danger in front of them is rivaled only by the danger closing in behind them and Olivia's new abilities will be put to the test As they discover more secrets the ones they bring with them may be the most important of all The Return The moment Olivia's family is finally together in Uncle Eli's camp violence comes between them when Matthias shoots her mother who has proven untrustworthy too many times But not all is lost because of her mother with the help of Uncle Eli they find out the rumors they have been chasing are true The Haven is real Freedom is in sight At least it will be once David and Olivia cross the DMZ But that's easier said than done assuming they don't freeze or starve in the bleak of winter they must survive an irradiated no man's land reclaimed by the wilderness With Eli's suspicious camp the Coalition on their trail and in fighting among their own group they're running out of time and options to find a way across What happens when Olivia and David are forced to make painful choices between ideals and safety
