1989: Young People and Social Change After the Fall of the Berlin Wall Carmen Leccardi, Council of Europe, 2012-01-01 After the collapse of state socialism at the end of the 1980s young people in Eastern Europe began to play a dramatically different role in society Once cast as the vital reinvigorating protagonists of the communist ideal they emerged as promoters of democratisation and agents of a now hegemonic market system Twenty years after the fall of the Berlin Wall in November 1989 an event symbolising both the lifting of the Iron Curtain and the end of the Cold War an international seminar was held in Budapest to discuss how the opening of eastern European societies to western Europe and the world had changed the living conditions and experiences of young people growing up in the region This collection of essays based on this seminar examines the circumstances of young people in eastern Europe before and after 1989 from a variety of angles their transition to adulthood their living conditions the scope they have for social participation the way in which they construct their identities and constitute and represent current social realities their cultures and genders and the interplay of continuities and discontinuities around this historic watershed This book which pays particularly

close attention to the relationship between research policy and practice is an invaluable tool for anyone wishing to achieve a deeper understanding of young people in Eastern Europe today NGOs in Contemporary Britain N. Crowson, M. Hilton, J. McKay, 2009-04-22 Examining the history of social movements and non state socio political action this volume shows how Non Governmental Organisations NGOs have proliferated in Britain since 1945 and how they have raised new political agendas revived associational life and arguably re politicized generations disillusioned with the politics of the ballot box

Law in a Changing Society W. Friedmann, 2023-11-15 Class in Contemporary Britain Kenneth Roberts, 2011-02-15

Britain is one of the most unequal countries in the western world the richest one per cent own a vast proportion of the wealth while both the pay gap and spending habits remain incredibly divisive How do such divisions reflect contemporary ideas of class In what way does economic life affect individuals and social relationships What are the implications for society as a whole This thoroughly revised second edition of *Class in Contemporary Britain* uses class theory to interrogate and explain patterns and trends in economic inequalities and to explore their consequences from a sociological view Addressing and debating timely questions this new edition Assesses different ways of mapping class structures through class schemes Highlights the continued importance of class in sociological study and analyses contemporary social class divisions Explores key topics including social mobility voting habits and education Reflects on recent changes and developments in the field from environmental and technological concerns to shifts in class demographics This comprehensive and accessible book disentangles the complex ties between economic social and political perspectives on class in contemporary Britain It is essential reading for all social sciences students who are studying class Schooling and Social Change 1964-1990 Roy Lowe, 2002-01-04 This is the first book to offer an overview of the ways in which the sweeping social and economic changes of the modern period have impacted on the education system Roy Lowe draws on extensive research to paint a vivid picture of the ways in which schools and universities were moulded by external events and of the part they played in promoting modernisation of society The book explores some key themes the nature of the economic transformations taking place the growing awareness of gender issues the changing ethnic composition of modern Britain the bureaucratisation of society and the rise of a new politics Exploring the links between these issues and educational provision Lowe argues that the growing political significance of educational issues is largely explained by the critical part played by the education system in providing social and economic stability during these years of swift social change Roy Lowe is Professor of Education at the University of Wales Swansea **Social Change and Education in Greece** S. Themelis, 2013-01-07 Aims to inform students scholars and educators about the complex processes and factors that promote or impede education's potential to enhance individual advancement within the socioeconomic structure of a late industrialized country within the context of modern capitalism *Rougher Justice* Peter Squires, Dawn Stephen, 2013-01-11 Anti social behaviour has become a major political preoccupation of government and combating it is now a major plank of criminal justice policy Yet anti social behaviour as a

concept has been little studied and the notion has often been accepted uncritically This book aims to meet this need providing a critique of the government's use of the concept of anti social behaviour and of youth justice strategy more generally Rougher Justice foregrounds the perspectives and experiences of young people themselves It draws upon recent developments within the field of cultural criminology to provide an alternative interpretation of the construction of youthful criminal careers It is underpinned by research in three separate areas which focus on the new youth justice youthful criminal careers and anti social behaviour and acceptable behaviour enforcement Central to the book is an ambition to understand youthful delinquency from the inside and to recover what is lost in much of New Labour's youth justice strategy and the methods adopted by the Youth Justice Board to evaluate this strategy that is to say a situated and interpretive understanding of youthful delinquency drawn from the perspective of and in the voices of young people themselves Governing Post-War Britain Glen O'Hara, 2012-04-11 Glen O'Hara draws a compelling picture of Second World War Britain by investigating relations between people and government the electorate's rising expectations and demands for universally available social services the increasing complexity of the new solutions to these needs and mounting frustration with both among both governors and governed Religion, Media, and Social Change Kennet Granholm, Marcus Moberg, Sofia Sjö, 2014-09-19 In an era of heightened globalization macro level transformations in the general socioeconomic and cultural makeup of modern societies have been studied in great depth Yet little attention has been paid to the growing influence of media and mass mediated popular culture on contemporary religious sensibilities life and practice Religion Media and Social Change explores the correlation between the study of religion media and popular culture and broader sociological theorizing on religious change Contributions devote serious attention to broadly defined media including technologies institutions and social and cultural environments as well as mass mediated popular culture such as film music television and computer games This interdisciplinary collection addresses important theoretical and methodological questions by connecting the study of media and popular culture to current perspectives approaches and discussions in the broader sociological study of religion

Social Progress in Britain Anthony F. Heath, Elizabeth Garratt, Ridhi Kashyap, Yaojun Li, Lindsay Richards, 2018-09-19 In his landmark 1942 report on social insurance Sir William Beveridge talked about the five giants on the road to reconstruction the giants of Want Disease Ignorance Squalor and Idleness Social Progress in Britain investigates how much progress Britain has made in tackling the challenges of material deprivation ill health educational standards lack of housing and unemployment in the decades since Beveridge wrote It also asks how progress in Britain compares with that of peer countries Canada France Germany Italy Japan Sweden and the USA Has Britain been slipping behind What has been the impact of the increased economic inequality which Britain experienced in the 1980s has rising economic inequality been mirrored by increasing inequalities in other areas of life too Have there been increasing inequalities of opportunity between social classes men and women and different ethnic groups And what have been the implications for Britain's sense of social

cohesion
