Social And Political Development In Post Reform China:

Social and Political Development in Post-reform China K. Mok, 1999-10-11 This book is a sociological study of how economic reforms started in the late 1970s have affected people's life in China. The book is based upon the author's recent research projects conducted in mainland China. The unique feature of the book is not only based upon qualitative analysis but also quantitative data, the integration of which can enhance readers' understanding of current social and political developments in post Mao China. In particular, the book aims to depict a context and sociological framework for the analysis of the dynamic and interactive processes between economic, social and political fronts. **The Statesman's Yearbook 2002** B. Turner, 2016-12-29 For the last 138 years, The Statesman's Yearbook has been relied upon to provide accurate and comprehensive information on the current political, economic and social status of every country in the world. The appointment of the new editor, only the seventh in 138 years, brought enhancements to the 1998-99 edition, and these have been continued since then. Internet usage figures are included. Specially commissioned essays from major political and academic figures supplement country entries in areas of major upheaval and change. A fold-out colour section provides a political world map and flags for the 191 countries of the world. The task of monitoring the pattern or flow of world change is never ending. However, the annual publication of The Statesman's Yearbook gives all the information needed in one easily digestible single volume. It will save hours of research and cross-referencing between different sources. A prestigious and popular book, The Statesman's Yearbook is updated every 12 months. In a world of continual change, The Statesman's Yearbook is a necessary annual purchase. **China's Economic Development, 1950-2014** Chu-yuan Cheng, 2014-09-26 China's Economic Development 1950-2014: Fundamental Changes and Long Term Prospects is a comprehensive and up-to-date analysis of Chinese economic development from 1950-2014, focusing on current world-wide attention to the economic reform. Chu-yuan Cheng covers a wide range of topics, including the cultural effects and ideological influences on China's economic development, the process of China's transition from a planned to a market economy, leadership changes and the root of the Cultural Revolution, the machine-building industry and scientific and engineering manpower in China, China's new development plans in the twenty-first century and the process and consequence of the Quiet Revolution, the international economic relations including the U.S.-China, Sino-Japanese economic relations and access to WTO, economic relations across the Taiwan Strait and the formation of the Greater China Economic Sphere, and the long-term development prospect of the Chinese economy in the twenty-first century and beyond. **Truths and Half Truths** Ferdinand Gul, Haitian Lu, 2011-06-30 Truths and Half Truths is aimed at economic and social science academics and students who are interested in the dynamics of China's institutional development and societal transformation. Covering the complexity of the social, economic and governance reforms behind the economic miracles achieved by China since its reform in 1978 and particularly in the past twenty years, this book provides much needed insight and critical thinking on major aspects of China's reform. Topics include

employment environment anti poverty urbanization and rural development education corruption political regime and media Readers will be able to re evaluate the costs and benefits of China s modernization from a point of view of sustainability Written by highly knowledgeable and well respected academics in law and economics with decades of experience in China studies Provides an insight from academic points of view written in a reader friendly journalistic style An integrated monograph each chapter addresses a particular area of reform and can be read independently Economic Growth and Endogenous Authoritarian Institutions in Post-Reform China Hans H. Tung,2019-01-30 This book analyzes the dynamic political economy of authoritarian institutions in China and attempts to answer the following questions What is the significance of China s authoritarian institutions and the changes Xi Jinping has brought to them Why did the Chinese elites go along with the changes that affected them negatively Through these questions the author unravels the mechanics of authoritarian resilience as well as its dynamics The work reviews both literatures on China studies and comparative authoritarianism to introduce a general framework for analyzing authoritarian institutional change under dictatorships

The Statesman's Yearbook 2001 B.
