The Ministry of Christian Healing

Many people want to learn more about how to pray for the sick, or even how to lead a prayer team in their church, but feel some natural apprehension on starting off on their own.

This course will teach you basic things about how you can pray with the sick either informally with loved ones or as part of a church healing team. We will look at such topics as why and how God commands us to pray with others. The Bible makes it clear that while there are people specially gifted and called in the healing ministry, any Christian can pray for the sick. While this is true, we want to do good, not harm, as we pray for others.

We also want to grow in Christ as we pray for others and we will learn about the important aspects of caring for ourselves and the others in our prayer team. The session on inner healing can help us learn how to experience healing ourselves as we help others draw closer to Christ.

first three hundred years of Christian history healing prayer was fundamental in the life of the church It even proved the main method of converting the unbelievers of the day Then began the long slide of healing prayer into near insignificance Ironically Christians themselves by reserving healing prayer for the most holy were the ones who almost killed this mission so central to the gospel itself The mystery of how this happened is described by Francis MacNutt in this fascinating history which includes his own personal journey MacNutt sees this loss as tragic and shows how necessary it is for us to rediscover

healing prayer and once more embrace it according to Christ's original mandate with amazing results Christian leaders and anyone involved in the healing ministry must read this book **The Forgotten Touch** Nigel W. D. Mumford, 2007-09-01

Stephen Seamands, 2023-09-05 Follow the Healer provides those in ministry with a practical theology of healing helping you understand how Jesus heals and why we still need to participate It's easy to fall into one of two extremes when it comes to Christian healing outright skepticism on one side and abuse on the other Many of us have a lot of good and difficult questions What is Christian healing ministry supposed to look like How do we go about it What forms and expressions should it take and how do we evaluate it How do we determine whether the healing ministry we are involved in is in keeping with what Jesus intended Starting from the assumption that Jesus does heal in our day and age Follow the Healer seeks to answer these questions with a balanced pastoral and scriptural approach This is a call to help you better understand and minister God's healing to a world that is in so much pain You'll take a closer look at why Christian healing is still relevant and essential today and how to avoid the many difficulties disappointments and distortions that occur in healing ministry Stephen Seamands draws upon over three decades of teaching theology and active involvement in healing ministry to help you grasp the why to of healing that comes before the how to This holistic Wesleyan approach to healing will help traditional evangelicals more readily embrace healing ministry and lead Pentecostals and charismatics already engaged in this ministry to move toward a more discerning approach to healing **Growing a Healing Ministry** Kathy Edmison, 2004 This book is based directly on the experience and wisdom of those who have established energy touch healing ministries in congregational settings **The Power to Heal** Francis MacNutt, 1977 Presents a balanced and sensible look at healing and healing prayer MacNutt clarifies many of the common misconceptions surrounding healing prayer providing an in depth view of the healing ministry and giving the reader the unique experience of being inside the minister of healing sharing his thoughts and feelings Presents a balanced and sensible look at healing and healing prayer MacNutt clarifies many of the common misconceptions surrounding healing prayer providing an in depth view of the healing ministry and giving the reader the unique experience of being inside the minister of healing sharing his thoughts and feelings na Peter E.
