The Listeners New Testament:

The Listener ,1929 **Interpreting the New Testament Text** Darrell L. Bock,Buist M. Fanning,2006-10-20 With the explosive increase in availability of English Bible translations the question can easily be asked Why bother with the hard work of biblical exegesis Computers can translate foreign languages and our English texts can take us very close to the original meanings so why exegete Answer because the deepest truths of the Bible are found through the deepest study This book teaches the principles methods and fundamentals of exegeting the New Testament It also has examples of textual exegesis that clearly and helpfully show the value of exegeting a text well Any serious student of Scripture would benefit from utilizing this book in the study of the Bible **Preaching the New Testament** Ian Paul,David Wenham,2013-02-01 Editors Ian Paul and David Wenham present this collection of scholarly reflections on preaching from the New Testament With an impressive cast of senior and younger scholars the book covers all the main texts and genres of the New Testament adding key chapters on the infancy narratives parables miracles archaeology hermeneutics and more **The Listener** ,1960 A weekly publication established by the BBC in 1929 as the medium for reproducing radio and later television programmes in print It is our only record and means of accessing the content of many early broadcasts **Hebrews (Paideia: Commentaries on the New Testament)** James W. Thompson,2008-12-01 Hebrews the second of eighteen volumes in the Paideia commentary series brings the insight of a veteran teacher and writer to bear on a New Testament book whose rich imagery and memorable phrases have long shaped Christian discourse The Paideia series approaches each text in its final canonical form proceeding by sense units rather than word by word or verse by verse Each sense unit is explored in three sections 1 introductory matters 2 tracing the train of thought 3 key hermeneutical and theological questions The commentaries shed fresh light on the text while avoiding idiosyncratic readings attend to theological meaning without presuming a specific theological stance in the reader and show how the text uses narrative and rhetorical strategies from the ancient educational context to form and shape the reader **The Art of Preaching Old Testament Poetry** Steven D. Mathewson,2024-11-05 Preachers often struggle with preaching Old Testament poetry They are uncertain how to preach the highly emotive poems in Psalms the one liners in Proverbs the tedious conversations in Job the esoteric observations about life in Ecclesiastes and the confusing love poems in the Song of Songs Here leading pastor theologian Steven Mathewson instructs and inspires preachers to preach some of the most challenging and some of the richest material in the Old Testament This companion to his successful The Art of Preaching Old Testament Narrative guides readers through preaching the oft neglected Old Testament poetic books Mathewson introduces foundational issues and offers basic methodology and preaching strategies that are faithful to the text and sensitive to its listeners Highlighting Mathewson s skill at bringing the riches of the Old Testament to bear on the life of the church this book makes scholarship on the poetic books accessible for pastors and pastors in training It also includes sample sermons **The New Testament in the Greco-Roman World** Paolo

Costa,2025-06-19 The studies presented at the Seminar for Biblical Scholars held at the Pontifical Biblical Institute of Rome in January 2024 represent advances in New Testament research Distinguished scholars who are engaged in interdisciplinary dialogue examine the Greco Roman redactional context and intended audiences of New Testament texts survey intersections between Roman and provincial legal frameworks and biblical frameworks and evaluate New Testament literary genres and techniques within the early imperial literary context Emphasizing sources often overlooked in New Testament exegesis the authors integrate insights from archaeology papyrology epigraphy sociology literature ancient law and religious history Grasping the cultural and historical milieu of the New Testament provides valuable perspectives for both biblical scholars and other specialists in ancient studies *Christ and Spirit in the New Testament* Barnabas Lindars,Stephen S. Smalley,Charles Francis Digby Moule,1973-12-06 English French or German Includes bibliographical references

Unleashing the Word Max McLean,Warren Bird,2009-11-03 Modern society is awash in words An auditory tidal wave cascades from our televisions radios media players and the Internet Today s distracted worshippers often feel spiritually shortchanged when the Scriptures are spoken without passion and power This lively and encouraging resource is the collaboration of a gifted Bible narrator and a mentor to church leaders In it they show how churches can train their own teams of Scripture readers These laypeople can with enthusiasm conviction and passion unleash the Word of God and prepare hearts to receive the message Spoken well the Word of God opens and penetrates the listener s heart Simple straightforward and culturally relevant this unique book provides the necessary tools to teach you how to read the Bible aloud in a way that communicates its life changing power **The Majesty of God in the Old Testament** Walter C. Kaiser, Jr.,2007-07-01 This new book by a trusted Old Testament scholar directs the student and pastor to an aspect of biblical truth often lacking in contemporary preaching and teaching God s unsurpassed majesty and greatness Kaiser suggests that a key way to recapture this important doctrine in the pulpit is through the preaching of the Old Testament itself an oft neglected or mishandled discipline By expositing ten great Old Testament passages that are rife with evidence of God s majesty he shows how today s preacher might address this deficiency He also shows how such exercises as word studies and historical archaeological studies can be used to help pastors make the Old Testament relevant to their congregations
