The Christbook A Historical Theological Commentary Matthew 1 12:

The Christbook Frederick Dale Bruner, 1987 Matthew Frederick Dale Bruner, 2007-06-25 Recognized as a masterly commentary when it first appeared Frederick Dale Bruner's study of Matthew is now available as a greatly revised and expanded two volume work the result of seven years of careful refinement enrichment and updating Through this commentary crafted especially for teachers pastors and Bible students Bruner aims to help God's people love what Matthew's Gospel says Bruner's work is at once broadly historical and deeply theological It is historical in drawing extensively on great church teachers through the centuries and on the classical Christian creeds and confessions It is theological in that it unpacks the doctrines in each passage chapter and section of the Gospel Consciously attempting to bridge past and present Bruner asks both what Matthew's Gospel said to its first hearers and what it says to readers today As a result his commentary is profoundly relevant to contemporary congregations and to those who guide them Bruner's commentary is replete with lively verse by verse discussion of Matthew's text While each chapter expounds a specific topic or doctrine the book's format consists of a vivid original translation of the text followed by faithful exegesis and critical analysis a survey of historical commentary on the text and current applications of the text or theme under study In this revision Bruner continues to draw on the best in modern scholarship including recent work by W D Davies and Dale C Allison Jr by Ulrich Luz and by many others adding new voices to the reading of Matthew At the same time he cites the classic commentaries of Chrysostom Jerome Augustine Luther Calvin Bengel and the rest who like Bruner himself were not simply doctrinal teachers but also careful exegetes of Scripture Such breadth and depth of learning assure that Bruner's Matthew will remain as a reviewer for Interpretation wrote the most dog eared commentary on the shelf Volume 1 of Bruner's commentary is called *The Christbook* because the first twelve chapters of Matthew are focused on the nature and work of Christ As Bruner proceeds through these chapters he shows how Matthew presents step by step central themes of Christology Jesus coming chapters 1-4 his teaching 5-7 his miracles 8-9 his sermon on mission 10 and his person 11-12 Throughout the book there are also thoughtful discussions of significant topics such as baptism marriage Jewish Christian relations and heaven and hell Eminently readable rich in biblical insight and ecumenical in tone Bruner's two volume commentary on Matthew now stands among the best in the field *Matthew: The Christbook, Matthew 1-12* Frederick Dale Bruner, 2004 Recognized as a masterly commentary when it first appeared Frederick Dale Bruner's study of Matthew is now available as a greatly revised and expanded two volume work the result of seven years of careful refinement enrichment and updating Through this commentary crafted especially for teachers pastors and Bible students Bruner aims to help God's people love what Matthew's Gospel says Bruner's work is at once broadly historical and deeply theological It is historical in drawing extensively on great church teachers through the centuries and on the classical Christian creeds and confessions It is theological in that it unpacks the doctrines in each passage chapter and section of the Gospel Consciously attempting to bridge past and present Bruner asks

both what Matthew's Gospel said to its first hearers and what it says to readers today. As a result, his commentary is profoundly relevant to contemporary congregations and to those who guide them. Bruner's commentary is replete with lively verse by verse discussion of Matthew's text. While each chapter expounds a specific topic or doctrine, the book's format consists of a vivid original translation of the text followed by faithful exegesis and critical analysis, a survey of historical commentary on the text, and current applications of the text or theme under study. In this revision, Bruner continues to draw on the best in modern scholarship, including recent work by W. D. Davies and Dale C. Allison Jr. by Ulrich Luz, and by many others, adding new voices to the reading of Matthew. At the same time, he cites the classic commentaries of Chrysostom, Jerome, Augustine, Luther, Calvin, Bengel, and the rest, who like Bruner himself were not simply doctrinal teachers but also careful exegetes of Scripture. Such breadth and depth of learning assure that Bruner's Matthew will remain as a reviewer for Interpretation wrote the most dog-eared commentary on the shelf. b Volume 1 of Bruner's commentary is called The Christbook because the first twelve chapters of Matthew are focused on the nature and work of Christ. As Bruner proceeds through these chapters, he shows how Matthew presents step by step central themes of Christology: Jesus' coming (chapters 1-4), his teaching (5-7), his miracles (8-9), his sermon on mission (10), and his person (11-12). Throughout the book, there are also thoughtful discussions of significant topics such as baptism, marriage, Jewish-Christian relations, and heaven and hell. Eminently readable, rich in biblical insight, and ecumenical in tone, Bruner's two-volume commentary on Matthew now stands among the best in the field.

The Priesthood of All Believers and the Missio Dei Henry Joseph Voss, 2016-10-25. The priesthood of all believers is a pillar undergirding Protestant ecclesiology. Yet the doctrine has often been used to serve diverse agendas. This book examines the doctrine's canonical, catholic, and contextual dimensions. It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer's eschatological temple service and offering of spiritual sacrifices (chapters 1-3). It secondly describes its catholic development by examining three paradigmatic shifts, especially associated with Christendom (chapters 4-6), and a suppression of the doctrine's missional component. Finally, the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the *missio Dei*. This suggests there are especially appropriate ways for the royal priesthood to relate to the Father, to the Son, and to the Holy Spirit. A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices. These seven practices are: 1. Baptism as public ordination to the royal priesthood; 2. Prayer; 3. *Lectio Divina*; 4. Ministry; 5. Church Discipline; 6. Proclamation; and 7. the Lord's Supper as the renewal of the royal priesthood.

A Baptism of Judgment in the Fire of the Holy Spirit Daniel W. McManigal, 2019-05-23. Daniel W. McManigal provides a fresh analysis of the meaning of the baptism in the Holy Spirit and fire, and John's baptism as a prophetic sign-act. Expanding upon the sources, grammar, and meaning of the Logion analysing Old Testament and Second Temple texts, and discussing the prevalent theme of judgment in baptism.

McManigal offers the first extended treatment of the baptism in the Holy Spirit in Matthew's gospel. As a backdrop for the prevalence of judgment in baptism, McManigal locates Matthew's eschatological judgment within the broader Old Testament and apocalyptic literature of the Second Temple, drawing upon texts such as Isaiah 11 and the Isaiah Targum, Malachi 3, Daniel 7:1, Enoch, and 4 Ezra. This volume's analysis aids deeper understanding of how the themes of the Old Testament are woven throughout Matthew's narrative, capitalizing on John's role as the last of the prophets sent to Israel. McManigal focuses in particular on Matthew's foretelling the coming of the Messiah and his call for repentance in order to prepare people for the arrival of the kingdom of God. Drawing out the unique Matthean meaning of the baptism of the coming one, McManigal's study offers readers a new insight into the nature of repenting and prophetic baptism, whether through water, fire, or Spirit.

Theology and the Experience of Disability Andrew Picard, Myk Habets, 2016-04-28 The Christian gospel compels humanity to embrace deeper ways of being human together that will overcome false divisions and exclusions in search of flourishing and graced communities. Presenting both short narratives emerging out of theological reflection on experience and analytical essays arising from engagement in scholarly conversations, *Theology and the Experience of Disability* is a conscious attempt to develop theology by and with people with disabilities instead of theology about people with disabilities. A mixture of academic, professional, practical, and/or lived experience is brought to the topic in search of constructive, multi-disciplinary proposals for church and society. The result is an interdisciplinary engagement with the constructive possibilities that emerge from a distinctly Christian understanding of disability as lived experience.

The Devil, Disease and Deliverance John Christopher Thomas, 1998-01-01 The relationships between the Devil and disease, sickness, and sin, healing and forgiveness, and exorcism and deliverance form an intriguing and controversial set of issues. This monograph brings some clarity to the topic by offering the first full-length examination of the origins of illness in New Testament thought. In an attempt to respect the diversity of thought within the New Testament, the author employs a method that allows the distinctive contributions of each New Testament writer to be appreciated on their own terms. These readings are followed by an attempt at the construction of a New Testament theology of the Devil, disease, and deliverance, where the distinctive New Testament voices on this topic are heard in relation to one another. The monograph concludes with a chapter devoted to the implications of this study for Pentecostal theology and ministry.
