was my everything and I was his but that would be a lie He may have been mine but I wasn't his I was his sister's annoying  
little friend who he didn't even know was in love with him Years later after seeing him again for the first time nothing has  
changed Except now he notices me and I will do everything in my power to avoid him Because Falcon is the most conceited  
man on this planet and because when he looks at me with steel eyes my heart still misses a beat Falcon I get what I want and  
I'm never denied anything either It's my charm It's hard to say no to something you never knew you desired until I'm  
standing in front of you That's not just who I am it's what I do I help men achieve everything they have ever wanted Most  
people would go to great lengths to be near me Yet my sweet Ariel I can't even get her to stay in the same room as me Maybe  
it's because I told her I would be the best lay of her life that has to be it and once I'm finished with her she's avoiding being  
disappointed by every other man for the rest of her life It couldn't possibly be anything else because let's face it I'm perfect
