Taking Another Look:

Take Another Look Pamela Harris Williams, 2011-03 When you look at yourself in the mirror who do you see Do you see someone who is bold confident and determined or do you see someone who is timid shy and unsure How we see ourselves or our self perception can be an advantage that shines light on the pathway to our success or it can be the storm cloud that guides us to our demise How we perceive ourselves will ultimately determine the outcome of our lives be it victorious or disastrous and these perceptions tend to be affected by how others see us But there is only one precise standard we can use to measure the accuracy of our self perception the Word of God Unfortunately many of us will never experience the lives God has for us because we won't perceive ourselves as He does It's time for that to change We can and we will reclaim ourselves Once you discover who you are in Christ you can move toward the destiny God has for you In this inspirational book you'll find the key components to changing your life for the better Understand who you are in Christ via perceptions Move beyond negativity and wrong associations Rebuild those things that were once alive and vibrant in your life Experience complete restoration Increase your confidence in God and yourself Allow Pamela Harris Williams to provide you with a mirror so you can Take Another Look and see yourself the way God sees you

Take Another Look David Hulse, 2010-04-22 If you are in the process of re-examining old childhood beliefs and have realized there has to be a more excellent way this book is for you With this in mind I invite you to Take Another Look at some of the most important tenants of fundamental Judeo Christian dogma We will explore these basic ideas from the cultural context in which they were experienced and written as well as the influences of the translators This will take us from a fear based message to the Gospel or good news with a love based premise In this day there are several versions of the Bible I suggest choosing the version which best suits your understanding of language II Timothy 2:15 says Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth The study presented in this book is based on the Thompson Chain Reference Bible Strong's Exhaustive Concordance of the Bible the guidance of the inner teacher the Holy Spirit and

spiritual common sense The result has challenged much of the second handed information that has been passed down through Christian patriarchy This scripture also mentions rightly dividing the word of truth To do this we need to discern which scriptures are inspired by God and which scriptures contain man s perceptions and hidden political and cultural agenda s I ask that you listen to your own inner Christ intelligence which is able to lead you into all truth rather than listening to the feeble attempts of men s voices on the paths that seem right who are only plunging us into the depths of unanswered questions ever learning but never able to come to the knowledge of the truth *Take Another Look* Rosalind Noonan,2015 When Jane Ryan discovers she s pregnant with twin girls she faces a heart wrenching decision On her own and unable to afford to care for both babies she sees no choice but to keep one and give up the other for adoption But fourteen years later Jane s decision comes full circle Family is everything It s one of the first things Isabel the twin Jane gave up says when they unexpectedly meet Without warning she and her adoptive mother have moved to the town where Jane and her daughter Harper live But are they really family In the throes of a willful adolescence Harper is as sullen as Isabel is eager to please Still the sisters appear to bond quickly until unsettling things begin to happen Disturbing pranks questionable accidents strange ailments Are the girls allies or enemies Is Harper acting out or is Isabel not all she seems Soon Jane is convinced there is something darker at work than sibling rivalry But who is to blame and is this only the beginning In a novel that is both suspenseful and deeply emotional Rosalind Noonan explores the complex challenges of motherhood and of truly knowing what lies in another s heart even those we love best Take Another Look...
