Taking Center Stage Amy K. Rathburn,1997 Studying the drama of any culture offers insight into the characters and even society s everyday lives values and concerns Amy K Rathburn s textbook offers insight into the American experience through study of Oklahoma Raisin in the Sun Death of a Salesman and Casablanca Students will read watch and perform material that is both entertaining and engaging which will sharpen reading writing listening and speaking skills Taking Center Stage introduces students to drama in its many presentational forms stage radio television and film Taking Center Stage is an advanced level textbook in Alliance the Michigan State University series for content based methodology that integrates study of a particular discipline with techniques for learning a language The rationale for a content based approach is that material relevant to the student increases motivation and promotes effective language learning Teachers who have not taught content based courses or are not well versed in American drama can rely on the textbook and teacher s manual for lesson plans

The Undead and Theology Kim Paffenroth,John W. Morehead,2012-09-21 The academy and pop culture alike recognize the great symbolic and teaching value of the undead whether vampires zombies or other undead or living dead creatures This has been explored variously from critiques of consumerism and racism through explorations of gender and sexuality to consideration of the breakdown of the nuclear family Most academic examinations of the undead have been undertaken from the perspectives of philosophy and political theory but another important avenue of exploration comes through theology Through the vampire the zombie the Golem and Cenobites contributors address a variety of theological issues by way of critical reflection on the divine and the sacred in popular culture through film television graphic novels and literature *American Book Publishing Record* ,1998
