

The top half of the book cover features a photograph of a sunset or sunrise. The sky is a vibrant orange, and the water below is dark with horizontal ripples. Two birds are captured in flight, their dark silhouettes contrasting against the bright sky. One bird is on the left, and the other is on the right, both appearing to fly towards the center. A thin, dark horizontal line, possibly a wire or a distant shore, runs across the middle of the image.

The Godbearing Life, Revised Edition Kenda Creasy Dean, Ron Foster, Megan DeWald, 2023-03-01 A generation ago *The Godbearing Life* charted a new course for youth ministry to fuel the faith both of young people and the adults who minister with them. It is founded on the truth that we are all Godbearers to one another, and therefore youth ministry is more about people than programs. Youth ministry is ministry that invites young people into deep soul work and spiritual friendships. Like the original *The Godbearing Life, Revised Edition*, is conversationally written, grounded in scripture, and grows out of all three authors' own pastoral experience. The update addresses the profound shifts in society and ministry over the past twenty-five years, from the interconnection of technology to the professionalization

of youth ministry This book reimagines the means of Godbearing youth ministry in a post pandemic digital age in the twenty first century while holding on to the fact that young people are continuously transformed by the message The Godbearing Life Revised Edition offers a new generation of church leaders the same depth of spiritual wisdom that shifted the ground for youth workers two decades ago The basic message is this young people need adults who practice faith alongside them
