Plotnick, Marcia K. Meyers, Jennifer Romich, Steven Rathgeb Smith, 2011-01-04 The way Americans live and work has changed significantly since the creation of the Social Security Administration in 1935 but U S social welfare policy has failed to keep up with these changes The model of the male breadwinner led nuclear family has given way to diverse and often complex family structures more women in the workplace and nontraditional job arrangements Old Assumptions New Realities identifies the tensions between twentieth century social policy and twenty first century realities for working Americans and offers promising new reforms for ensuring social and economic security Old Assumptions New Realities focuses on policy solutions for today s workers particularly low skilled workers and low income families Contributor Jacob Hacker makes strong and timely arguments for universal health insurance and universal 401 k retirement accounts Michael Stoll argues that job training and workforce development programs can mitigate the effects of declining wages caused by deindustrialization technological changes racial discrimination and other forms of job displacement Michael Sherraden maintains that wealth building accounts for children similar to state college savings plans and universal and progressive savings accounts for workers can be invaluable strategies for all workers including the poorest Jody Heymann and Alison Earle underscore the potential for more extensive work family policies to help the United States remain competitive in a globalized economy Finally Jodi Sandfort suggests that the United States can restructure the existing safety net via state level reforms but only with a host of coordinated efforts including better information to service providers budget analyses new funding sources and oversight by intermediary service professionals Old Assumptions New Realities picks up where current policies leave off by examining what s not working why and how the safety net can be redesigned to work better The book brings much needed clarity to the process of creating viable policy solutions that benefit all working Americans A West Coast Poverty Center Volume [Mothering, Public Leadership, and Women's Life Writing](#) Claire Wolfteich, 2017-07-31 In Mothering Public Leadership and Women s Life Writing Claire E Wolfteich presents a series of case studies in Christian spirituality bringing mothers autobiographical writing into focus for theological reflection From the medieval mystic Margery Kempe to the twentieth century activist Dorothy Day from African American preacher Jarena Lee to labor organizer Dolores Huerta the book mines women s first person writing surfacing critical issues for theological analysis Listening deeply to these diverse maternal voices the book advances creative theological reflection on work vocation time poverty Sabbath and spiritual guidance Mothering Public Leadership and Women s Life Writing demonstrates the significance of the study of mothering for theology and spirituality studies and the import of life writing as an underutilized source for practical theology *Profit at the Bottom of the Ladder* Jody Heymann, 2010-05-12 Most managers assume that surviving especially in recessions requires slashing wages benefits and other workforce expenses And lowest skilled workers

are often viewed as the most expendable In Profit at the Bottom of the Ladder Jody Heymann overturns these assumptions Drawing from thousands of interviews with employees from front line to C suite at companies around the world Heymann shows how enterprises have profited more by improving working conditions She also demonstrates that lower skilled employees in call centers repair services product assembly aren't expendable They can determine 90 percent of companies profitability High performers positively shape customers perceptions of businesses driving satisfaction and loyalty To attract train and retain top caliber people in these roles you must enhance working conditions creating a system in which your company and its employees profit together Profit at the Bottom of the Ladder shows what works from stock options for bakers to flexibility for factory workers to career tracks in call centers Featuring cases from companies around the globe including a leading concrete manufacturer in India a top European pharmaceutical firm operating in China and successful U S manufacturers this book shows how real organizations are excelling financially by strengthening frontline employees working conditions

The Politics of Parenthood Laurel Elder, Steven Greene, 2012-07-17 Certain events in one's life such as marriage joining the workforce and growing older can become important determinants of political attitudes and voting choice Each of these events has been the subject of considerable study but in *The Politics of Parenthood* Laurel Elder and Steven Greene look at the political impact of one of life's most challenging adult experiences having and raising children Using a comprehensive array of both quantitative and qualitative analyses Elder and Greene systematically reveal for the first time how the very personal act of raising a family is also a politically defining experience one that shapes the political attitudes of Americans on a range of important policy issues They document how political parties presidential candidates and the news media have politicized parenthood and the family over not just one election year but the last several decades They conclude that the way the themes of parenthood and the family have evolved as partisan issues at the mass and elite levels has been driven by and reflects fundamental shifts in American society and the structure of the American family

Hirsh-Pasek, 2006-08-24 Publisher description **Recognizing Race and Ethnicity**, 2018-05-15 This book approaches the study of race ethnicity through a sociological lens It focuses on a few social policies that are perceived as race related such as affirmative action to an understanding of the historical racialization of the US welfare state overall Contemporary

Motherhood Lyn Craig, 2016-05-13 In this timely book Lyn Craig provides the first comprehensive account of how parents divide their time between caring for children housework paid work and leisure Using large scale quantitative time use data the book provides a detailed analysis of the impact of children upon adult time This research reveals a unique picture of how parenthood affects daily life within households and how people's paid and unpaid workload is affected by parenthood By looking at how the costs and benefits of children are currently conceptualized and apportioned Contemporary Motherhood shows what becoming a mother entails and why it is so challenging to raise children Suggesting an explanation for why fertility rates are dramatically dropping the book makes a significant contribution to the debate on contemporary motherhood and will interest scholars and students in sociology and social policy with an interest in the sociology of the family gender and sexuality and the sociology of youth **Work, Family, Health, and Well-Being** Suzanne M.

Bianchi, Lynne M. Casper, Rosalind Berkow King, 2006-04-21 This work grew out of a conference held in Washington D C in June 2003 on Workforce Workplace Mismatch Work Family Health and Well Being sponsored by the National Institute of Health NIH The text considers multiple dimensions of health and well being for workers and their families children and communities **Red, Blue, and Purple America** Ruy A. Teixeira, 2009-11-01 As America rushes headlong into a dramatic

campaign season it is clear that these consequential contests and the ones that follow will be hugely influenced by recent changes in the nation's makeup Red Blue and Purple America provides a clear and nuanced understanding of the geographic and demographic changes that are transforming the United States and how that transformation is reshaping politics for the 2008 elections and beyond The invaluable result is a detailed picture of current trends as well as a clear-eyed assessment of how they will shape American politics and policy during the next two decades An elite group of demographers geographers and political scientists analyze rapidly changing patterns of immigration settlement demography family structure and religion Each analysis describes one major trend and assesses its likely impact on politics for the 2008 elections but for the long term as well The authors then lay out the most likely implications for public policy In doing so they show how these trends have shaped the Red and Blue divisions we are familiar with today and how the developments might break apart those blocs in new and surprising ways **Recognizing Race and Ethnicity** Kathleen J. Fitzgerald, 2014-02-18 Despite radical changes

over the last century race remains a central organizing principle in U S society a key arena of inequality and the subject of ongoing conflict and debate In a refreshing new introduction to the sociology of race Recognizing Race and Ethnicity

encourages students to think differently by challenging the notion that we are or should even aspire to be color blind In this text Kathleen Fitzgerald considers how the continuing significance of race manifests in both significant and obscure ways by looking across all racial ethnic groups within the socio historical context of institutions and arenas rather than discussing each group by group Incorporating recent research and contemporary theoretical perspectives she guides students to examine racial ideologies and identities as well as structural racism at the same time she covers topics like popular culture sports and interracial relationships that will keep students engaged Recognizing Race and Ethnicity provides unparalleled coverage of white privilege while remaining careful to not treat white as the norm against which all other groups are defined Recognizing Race and Ethnicity makes it clear that in a time when race and racism are constantly evolving in response to varied social contexts societal demands and political climates we all must learn to recognize race if we are to get beyond it
