*Jack Frost* William Joyce,2020-09-15 The Guardians powers are put to the ultimate test in their final battle in this thrilling conclusion to the epic chapter book series from William Joyce When we last saw the Guardians they were celebrating their victory during Bright Night the final great Battle of the Moon where they defeated Pitch once and for all Or so they thought Now many years later the Guardians have settled into their final selves embracing their public images and the Earth Holidays But the world has not been without evil since Pitch s imprisonment All the Guardians feel the weight of lurking menace but Jack Frost now half human half of his former self Nightlight feels it the most Jack s transition from Nightlight to Guardian was not an easy one Always inclined to keep to himself Jack has become especially isolated from the other Guardians since his transformation Yet it is Jack who Ombric Shalazar once a great wizard now known as Father Time trusts with a tremendous secret But for Jack to fully understand this secret he must revisit his past and finally tell his story Jack s story however isn t the only one to be reopened an old enemy whose chapter we thought closed will reappear and with him bring a darkness and destruction that will test the Guardians like never before It s a battle of superlatives the worse fighting the greatest but where oh where is Jack **Jack Frost.
