Tales by Wilhelm Hauff Wilhelm Hauff,1890 *Classic Tales and Fables for Children* Leo Tolstoy,2010-05 Renowned Russian novelist Leo Tolstoy had an abiding interest in children and in children s literature At the age of twenty one he started a school for peasant children on his family s estate and after returning from a stint in the military he founded another experimental school with the motto Come when you like leave when you like Fascinated by the simple charm and the fresh innocence with which the children of his schools told stories several

years later when Tolstoy began writing about his own childhood he emulated the uncomplicated narrative style and disarming directness of the tales told by the children of his acquaintance After completing War and Peace he incorporated these stories in a series of easy readers and continued to work on them even while writing Anna Karenina Known as The ABC Book Azbuka and subsequently The New ABC Book Novy Azbuka these marvelous readers were widely adopted in Russia and were still in use in the Soviet era The tales and fables in this volume come mainly from these two well loved primers Part I consists of stories about his own childhood all told with beautiful simplicity Part II contains Tolstoy s free adaptations of fables from Aesop and from Hindu tradition Part III is devoted solely to his longest and most famous children s work the fairy tale Ivan the Fool and His Two Brothers Never patronizing and often humorous these small gems reveal Tolstoy s deep appreciation for and understanding of children s artistic and moral sensibilities [Malice Hates Fairy Tales #3](#) Lotus Rose,2016-01-05 Malice has to save her friends from the fairy tale parasites infesting their souls They have each been combined with the fairy tale that bit them This has caused them to become hybrids the Mad Hatter for instance is now half Cinderella To drive the fairy tale portion out Malice has to drive a stake through their hearts So ironically to save them Malice essentially has to fight and kill her friends the Mad Hatter Tweedle twins Humpty and the Knight Hopefully afterwards Wonderland will finally get back to how it was before the twisted fairy tales came around Malice in Wonderland Saga Malice in Wonderland Prequel Malice in Wonderland 1 Alice the Assassin Malice in Wonderland 2 Alice the Angel of Death Malice In Wonderland 3 Alice the Girl Who Will Tear Your Heart Out and Show It To You Before You Die Malice Hates Fairy Tales Trilogy Jabberwocky Trilogy **Land and Sea; Tales for Boys and Girls** Rudyard Kipling,2025-08-23 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

McCoy Story Dianne McCoy, All Henry ever wanted was to escape the skinflint soil of his father s farm and make a life for himself maybe make enough for a wife and children Ordinary enough ambitions but big enough to lead him across a continent through near fatal illness and betrayal to a shack in Edmonton a blacksmith job and finally a future His determination resembled that of his forebears and it was reason enough for this family history to be written While Henry thought he had left the past behind in Quebec his descendants were busy embroidering the family story They spoke of Irish roots and leaving Cork for Canada They stitched up traces of poor brother Will McCoy who had died a spectacular death in the wilds of North Dakota Or was that South Dakota Then they traced a long lost sister to California and coloured in a sad tale of how she got there But how much of what they said was true It was enough to set us off on a 15 year voyage through archives libraries family interviews and places Henry had been to cobble together an answer
