cucumber frame whom should he meet but Mr McGregor MR McGREGOR was on his hands and knees planting out young cabbages but he jumped up and ran after Peter waving a rake and calling out Stop thief PETER was most dreadfully frightened he rushed all over the garden for he had forgotten the way back to the gate He lost one of his shoes among the cabbages and the other shoe amongst the potatoes AFTER losing them he ran on four legs and went faster so that I think he might have got away altogether if he had not unfortunately run into a gooseberry net and got caught by the large buttons on his jacket It was a blue jacket with brass buttons quite new PETER gave himself up for lost and shed big tears but his sobs were overheard by some friendly sparrows who flew to him in great excitement and implored him to exert himself MR McGREGOR came up with a sieve which he intended to pop upon the top of Peter but Peter wriggled out just in time leaving his jacket behind him AND rushed into the toolshed and jumped into a can It would have been a beautiful thing to hide in if it had not had so much water in it MR McGREGOR was quite sure that Peter was somewhere in the toolshed perhaps hidden underneath a flower pot He began to turn them over carefully looking under each Presently Peter sneezed Kertyschoo Mr McGregor was after him in no time AND tried to put his foot upon Peter who jumped out of a window upsetting three plants The window was too small for Mr McGregor and he was tired of running after Peter He went back to his work PETER sat down to rest he was out of breath and trembling with fright and he had not the least idea which way to go Also he was very damp with sitting in that can After a time he began to wander about going lippity lippity not very fast and looking all around HE found a door in a wall but it was locked and there was no room for a fat little rabbit to squeeze underneath An old mouse was running in and out over the stone doorstep carrying peas and beans to her family in the wood Peter asked her the way to the gate but she had such a large pea in her mouth that she could not answer She only shook her head at him Peter began to cry THEN he tried to find his way straight across the garden but he became more and more puzzled Presently he came to a pond where Mr McGregor filled his water cans A white cat was staring at some gold fish she sat very very still but now and then the tip of her tail twitched as if it were alive Peter thought it best to go away without speaking to her he had heard about cats from his cousin little Benjamin Bunny HE went back towards the tool shed but suddenly quite close to him he heard the noise of a hoe scr r ritich scratch scratch scritch Peter scuttered underneath the bushes But presently as nothing happened he came out and climbed upon a wheelbarrow and peeped over The first thing he saw was Mr McGregor hoeing onions His back was turned towards Peter and beyond him was the gate

Sumptuous a fitting legacy for a pioneering conservationist who helped save thousands of acres of the Lake District  
The Mail on Sunday August 2016  
To this day Beatrix Potter's tales delight children and grown ups around the world  
But few people realise how extraordinary her own story is  
She was a woman of contradictions  
A sheltered Victorian daughter who grew into an astute modern businesswoman  
A talented artist who became a scientific expert  
A famous author who gave it all up to become a farmer  
In *The Story of Beatrix Potter* Sarah Gristwood follows the twists and turns of Beatrix Potter's life and its key turning points including her tragically brief first engagement and happy second marriage late in life  
She traces the creation of Beatrix's most famous characters including the naughty Peter Rabbit confused Jemima Puddleduck and cheeky Squirrel Nutkin revealing how she drew on her unusual childhood pets and locations in her beloved Lake District  
She explores too the last 30 years of Potter's life when she abandoned books to become a working farmer and a pioneering conservationist whose work with the National Trust helped to save thousands of acres of the Lake District a legacy that like her books continues to enrich our lives today
