Buddhist Birth Stories: Or, Jataka Tales, Vol ? 1 V.

Fausboll, 2021-01-01 It is well known that amongst the Buddhist Scriptures there is one book in which a large number of old stories, fables and fairy tales lie enshrined in an edifying commentary and have thus been preserved for the study and amusement of later times. How this came about is not at present quite certain. The belief of orthodox Buddhists on the subject is this: The Buddha, as occasion arose, was accustomed throughout his long career to explain and comment on the events happening around him by telling of similar events that had occurred in his own previous births. The experience, not of one lifetime only but of many lives, was always present to his mind and it was this experience he so often used to point a moral or adorn a tale.

Cat God's Tales Shen YeFaChou, 2020-05-24 If someone else reincarnated even if they were trash they would still be human. Why am I reincarnated as a cat? It's fine if I turned into a cat. Other people entering the academy to act cool and have a relationship was fine but I became a teacher with my life on the line. Furthermore, the class I took was the most useless one in the entire academy. It's not suitable for me to play the pig to eat the tiger. I can only slap my face to make it look fat. Everything is as I remember it.
