Tale Of Two Brothers:

A Tale of Two Brothers Eveline Hasler,2022-05-03 In this version of the Swiss folktale two humpback brothers one good and friendly the other bad tempered and lazy have their lives changed by a trip to their old hut in the mountains *The Ancient Egyptian "tale of Two Brothers"* Susan T. Hollis,2008 What is the meaning of this story from antiquity so similar in form to the European folktale The Tale of Two Brothers describes a rite of passage telling the the nearly universal story of a handsome and chaste young shepherd who rejects seduction by a powerful older woman and after many adventures becomes king The story of this shepherd Bata is intertwined with that of his brother Anubis who deceived at first is unceasing in his efforts to restore his brother and eventually becomes king himself The tale also has traits peculiar to ancient Egypt notably that the main characters are gods as well as kings Bata and Anubis are both divine figures connected with Egypt's mortuary cults and their story is replete with religious symbols of rebirth Using comparative analysis the author makes a major contribution to our understanding of a story that has puzzled folklorists for almost 140 years At the same time she constructs a model for examining ancient narratives neither denying their cultural context nor allowing it to impede understanding To provide this ancient context Susan Tower Hollis utilizes a variety of works including literary mythological and wisdom texts cultic materials historical and political works and Egyptian paintings reliefs and sculptures The second edition of this classic and long out of print text takes into account further scholarship on the Tale of Two Brothers since its original publication in 1990 and contains a new updated bibliography Israel in Egypt James K. Hoffmeier,1999-03-18 The author examines current Egyptological evidence and argues that it supports the biblical record concerning Israel in Egypt Drawing on evidence from recent excavations in the Nile Delta extra biblical texts inscriptions artefacts and recent infra red satellite photographs he provides a reconstruction of the Israelite sojourn defends the plausibility of the Joseph story discusses the role of Moses in history and traces the probable route of the Exodus itself A Tale of Two Brothers Chad R.
