A Tale of Two Regions* Rodolfo Campos,Samuel Pienknagura,Jacopo Timini,2023-12-08 We study the evolution of trade globalization in a set of countries in Latin America mostly the largest ones and Asia over the past 25 years Relying on structural gravity models we first estimate a proxy of

trade globalization that captures the ease of trading internationally with respect to trading domestically Results indicate that the evolution of trade globalization since the mid 1990s has been similar between the two regions but very heterogeneous within them Trade globalization has been particularly strong in agriculture mining and manufacturing but has lagged in services The paper also documents that trade globalization has been particularly strong in agriculture mining and manufacturing but it lagged in services Within region heterogeneity is associated to a set of trade policy instruments including tariffs non tariff measures WTO membership and trade agreements Next we quantify the economic implications of the estimated globalization trends Simulations of a multi sector trade model point to heterogeneous long term impacts of globalization on GDP some countries exhibiting substantial gains and others experiencing large losses with no single sector playing a preponderant role The half-caste [and other stories] by the author of 'John Halifax, gentleman'. The Worlds of Sholem Aleichem Jeremy Dauber,2013-10-08 Part of the Jewish Encounters series The first comprehensive biography of one of the most beloved authors of all time the creator of Tevye the Dairyman the collection of stories that inspired Fiddler on the Roof Novelist playwright journalist essayist and editor Sholem Aleichem was one of the founding giants of modern Yiddish literature The creator of a pantheon of characters who have been immortalized in books and plays he provided readers throughout the world with a fascinating window into the world of Eastern European Jews as they began to confront the forces of cultural political and religious modernity that tore through the Russian Empire in the final decades of the nineteenth century But just as compelling as the fictional lives of Tevye Golde Menakhem Mendl and Motl was Sholem Aleichem s own life story Born Sholem Rabinovich in Ukraine in 1859 he endured an impoverished childhood married into fabulous wealth and then lost it all through bad luck and worse business sense Turning to his pen to support himself he switched from writing in Russian and Hebrew to Yiddish in order to create a living body of literature for the Jewish masses He enjoyed spectacular success as both a writer and a performer of his work throughout Europe and the

United States and his death in 1916 was front page news around the world a New York Times editorial mourned the loss of the Jewish Mark Twain But his greatest fame lay ahead of him as the English speaking world began to discover his work in translation and to introduce his characters to an audience that would extend beyond his wildest dreams In Jeremy Dauber s magnificent biography we encounter a Sholem Aleichem for the ages With 16 pages of black and white illustrations
