TALES FROM HOLLYWOOD

Tales From Hollywood

Marco Cascella

Tales From Hollywood:

Tales from Hollywood Christopher Hampton, 1983 With the Austro Hungarian dramatist Odon von Horvath as our guide Christopher Hampton's witty and erudite play takes us on a tour of the sun soaked boulevards of 1940s Los Angeles Taking in such improbable residents as Thomas and Heinrich Mann Bertolt Brecht and the Marx Brothers amongst others it brilliantly serves to open up a neglected chapter of American cultural history as the wry and embittered European migrants find themselves amidst the materialistic razzle dazzle of Hollywood *Tales from Hollywood* premiered at the Mark Taper Forum Theatre Los Angeles 1982 and at the National Theatre London in 1983 *Tales of Hollywood the Bizarre* John Austin, 1992 A chilling expose of true murder lust depravity and greed everything the press never dared reveal to the public Exposes how Universal Pictures kept Rock Hudson's homosexuality secret for 30 years how Raquel Welch won a 15 million dollar lawsuit against MGM and why she'll never act in Hollywood again plus more compelling accounts on Burt Reynolds Cliff Robertson and others Photographs

Tales from Hollywood Christopher Hampton, 1983 What if Odon von Horvath the Austrian playwright who died before he got to Hollywood actually made it to Tinseltown to meet up with the likes of Thomas Mann Brecht Garbo the Marx Bros and Jonny Weissmuller 8 women 16 men

Tinseltown Dream Merchants: Tales From Hollywood's Behind-the-Scenes Players Pasquale De Marco, 2025-03-15 In the heart of Hollywood where dreams are made and shattered there are those who toil tirelessly behind the scenes to bring stories to life the producers They are the unsung heroes of the entertainment industry the ones who make the magic happen This book takes you on a journey into the world of producers revealing the challenges triumphs and creative processes that shape the movies and TV shows we love Through interviews with some of the most successful producers in the industry you'll gain an insider's perspective on the art of storytelling the business of show business and the collaborative effort that goes into making a film or television show You'll learn about the producer's role in developing compelling characters creating immersive worlds and crafting dialogue that resonates with audiences You'll also discover the financial realities of film and television production the importance of securing funding and distribution and the role of agents and managers in the producer's success But this book is not just about the business side of producing It's also about the passion and creativity that drives these individuals to bring their visions to life You'll hear from producers who have overcome seemingly insurmountable obstacles who have taken risks and pushed boundaries and who have ultimately made their mark on the entertainment industry Whether you're an aspiring filmmaker a fan of movies and TV shows or simply someone who is curious about the inner workings of Hollywood this book is for you It's a celebration of the producer's art a testament to the power of storytelling and an inspiration to anyone who dreams of making their mark on the world of entertainment If you like this book write a review

Tales from Hollywood , Intertextual Loops in Modern Drama Christine Olga Kiebuszinska, 2001 Kiebuszinska who teaches modern drama comparative literature and film at Virginia Tech considers intertextuality in modern drama In nine essays she examines the

connections between the works of modern playwrights such as Kundera Jelinek and Hampton and the texts of earlier writers such as Did

Arthurian Phantasms: Nostalgia's Echo in Hollywood's Timeless Tales Pasquale De Marco, 2025-05-08

Arthurian Phantasms Nostalgia s Echo in Hollywood s Timeless Tales explores the captivating world of Arthurian cinema delving into the ways in which Hollywood has adapted and reimagined these ancient stories for the big screen This comprehensive analysis of iconic films spanning decades uncovers the political cultural and social forces that have shaped the cinematic portrayal of Arthurian legends From the Cold War era to the present day Arthurian films have served as a mirror to American society reflecting the nation s hopes fears and aspirations In times of crisis these films have offered solace and reassurance presenting an idealized vision of a just and harmonious world In times of change they have challenged societal norms and explored the complexities of human nature This book examines the evolution of Arthurian characters in Hollywood cinema tracing the transformation of these legendary figures to reflect the changing values and sensibilities of American culture It analyzes the portrayal of chivalry masculinity and the role of women in Arthurian films revealing how these representations have evolved over time Beyond its cultural significance Arthurian cinema has also had a profound impact on the development of film as an art form The book explores the innovative storytelling techniques groundbreaking special effects and memorable musical scores that have characterized Arthurian films showcasing their contribution to the cinematic landscape Through a rich exploration of Arthurian cinema Arthurian Phantasms Nostalgia s Echo in Hollywood s Timeless Tales provides a unique lens through which to understand American culture history and the enduring power of storytelling It is a must read for scholars of film Arthurian enthusiasts and anyone fascinated by the intersection of myth history and popular culture If you like this book write a review on google books

Hampton on Hampton Christopher Hampton, Alistair Owen, 2017-10-19 A lot of my plays begin as comedies and mutate in the course of the evening because my instinct is that you have to welcome the audience in and make sure they re sitting comfortably before you can give them an adequate punch on the jaw Since the acclaimed London premi re of his first play in 1966 Christopher Hampton has established himself as one of Britain s most prominent and least predictable dramatists From his best known play *Les Liaisons Dangereuses* and its Oscar winning film version *Dangerous Liaisons* to personal and critical favourites like *Total Eclipse* and *Tales from Hollywood* from his films as writer director *Carrington* *Imagining Argentina* to his work as screenwriter for hire *Mary Reilly* *The Quiet American* from translations *Art* to musicals *Sunset Boulevard* Hampton eloquently and entertainingly explores his varied career with interviewer Alistair Owen and discusses its recurring theme the clash of liberal and radical thought exemplified by his most recent play *The Talking Cure* about the fathers of psychoanalysis Jung and Freud

Hollywood's South Seas and the Pacific War S. Brawley, C. Dixon, 2012-08-06 This book explores the expectations experiences and reactions of Allied servicemen and women who served in the wartime Pacific and viewed the South Pacific through the lens of Hollywood s South Seas Based on extensive archival research it explores the intersections

between military experiences and cultural history **Hollywood's Native Americans** Angela Aleiss, 2022-04-06 This book highlights the contributions and careers of Native Americans who have carved impressive careers in Hollywood from the silent film era of the early 1900s to the present becoming advocates for their heritage This book explores how the heritage and behind the scenes activities of Native American actors and filmmakers helped shape their own movie images Native artists have impacted movies for more than a century but until recently their presence had passed largely unrecognized From the silent era to contemporary movies this book features leading Native American actors whose voices have reached a broad audience and are part of the larger conversation about the exploitation of underrepresented people in Hollywood Each chapter highlights Native actors in lead or supporting roles as well as filmmakers whose movies were financed and distributed by Hollywood studios The text further explores how a pan Indian heritage that applies to all tribes in terms of spirituality historical trauma and a version of ceremony and storytelling have shaped these performers movie identities It will appeal to a wide range of readers including fans of Westerns history buffs of American popular cinema and students and scholars of Native American studies A note from the author Since the publication of this book the CBC news magazine The Fifth Estate released an investigative documentary on October 27 2023 alleging that Buffy Sainte Marie had been fraudulently posing as a Native Canadian throughout her career *Hollywood's Frontier Captives* Barbara A. Mortimer, 2018-10-24 The captivity narrative the earliest genre of American popular literature continues to be of cultural significance in late 20th century Hollywood Many popular films of the last four decades incorporate the most common elements of the captivity narrative tradition including a politically contested frontier setting and a plot involving innocent family oriented white Americans held captive by hostile culturally alien natives At the same time these films offer something new to the narrative tradition they focus on the captive who resists rescue and the challenge this resistance poses to American cultural self confidence By focusing on the lost captive these films beginning with *The Searchers* 1956 deal with questions about American identity raised by a white American s cultural and potentially political transformation Films as diverse as *Little Big Man* *Taxi Driver* and *The Deer Hunter* adapted the captivity narrative s conventions to criticize aspects of contemporary American society and reject outworn models of male heroism at the same time however they retained the genre s traditional assumption of white superiority and its fear of female sexuality Bibliography Index *Sleepless in Hollywood* Lynda Obst, 2013 With a new epilogue by the author Cover *Hollywood's America* Stephen P Powers, 2018-02-19 American motion pictures still dominate the world market with an impact that is difficult to measure Their role in American culture has been a powerful one since the 1930s and is a hallmark of our culture today Though much has been written about the film industry there has been very little systematic attention paid to the ideology of its creative elite How does the outlook of that elite impact on the portrayals of America that appear on the screen How do their views interact with the demands of the market and the structure of the industry to determine the product that is seen by mass

audiences Hollywood's America is a marvellously rich and careful discussion of these questions It combines a meticulous systematic content analysis of fifty years of top grossing films with a history of the changing structure of the industry To that mixture it adds an in depth survey of Hollywood's creative elite comparing them to other leadership groups The result is a balanced discussion of unique breadth and depth on a subject of national importance Placing the film industry in the context of American society as a whole the authors point out that Hollywood's creative leadership impacts the larger society even as it is influenced by that society The creators of films cannot remove themselves too far from the values of the audiences that they serve However the fact that films are made by a relatively small number of people who as the authors demonstrate tend to share a common outlook means that over time motion pictures have had an undeniable impact on the beliefs lifestyles and action of Americans This study contributes to the debate over the role and influence of those who create and distribute the products of mass culture in the United States The book also contains a devastating critique of the poststructuralist theories that currently dominate academic film criticism demonstrating how they fail in their attempt to explain the political significance of motion pictures

Hollywood's Hellfire Club Gregory William Mank, 2007-10-01 They made fans go crazy and censors apoplectic spent fortunes faster than they made them forged Rembrandts and hung them in major museums went on trial for committing statutory rape with necrophiliac teenage girls reinterpreted Hamlet as an incestuous mama's boy and swilled immeasurable quantities of spirits during week long parties on wobbly yachts They were The Bundy Drive Boys and they made the Rat Pack look like Cub Scouts Their self destructiveness was spectacular the misanthropy profound but behind the boozy bravado was a devoted mutual affection The Bundy Drive Boys' unbawdlerized stories have never been illustrated so well or told so completely as within Hollywood's Hellfire Club Author Gregory William Mank also wrote It's Alive The Classic Cinema Saga of Frankenstein and Hollywood Cauldron

The Defiant One Aubrey Malone, 2013-09-21 This new biography contains excerpts from interviews and articles by and about Curtis all the way from his teens in the Bronx to his death at 85 in 2010 Many of these are little known and provide insights into his complex relationship with fame family and females the three obsessions of his life The book also documents his many struggles with substance abuse his disenchantment with Hollywood when it failed to take him seriously the violent deaths of his two brothers the failure of four of his marriages a heart attack the death of a son from a drug overdose and most importantly the manner in which his resilient spirit saw him through these challenges and tragedies It's a revisionist biography which adds significantly to the received wisdom on his life and times not only through personal interviews but also revelations from two recent books not yet available in English one written by his daughter Allegra and the other by his ex wife Christine Kaufmann

Look Andrew L. Yarrow, 2021-11 Andrew L Yarrow tells the story of Look magazine one of the greatest mass circulation publications in American history and the very different United States in which it existed The all but forgotten magazine had an extraordinary influence on mid twentieth century America not only by telling powerful thoughtful

stories and printing outstanding photographs but also by helping to create a national conversation around a common set of ideas and ideals Yarrow describes how the magazine covered the United States and the world telling stories of people and trends injustices and triumphs and included essays by prominent Americans such as Martin Luther King Jr and Margaret Mead It did not shy away from exposing the country s problems but it always believed that those problems could be solved Look which was published from 1937 to 1971 and had about 35 million readers at its peak was an astute observer with a distinctive take on one of the greatest eras in U S history from winning World War II and building immense increasingly inclusive prosperity to celebrating grand achievements and advancing the rights of Black and female citizens Because the magazine shaped Americans beliefs while guiding the country through a period of profound social and cultural change this is also a story about how a long gone form of journalism helped make America better and assured readers it could be better still

Hollywood's Reflection: History Through the Lens Pasquale De Marco,2025-03-07 In the realm of cinematic storytelling where the silver screen meets the annals of time lies a captivating exploration of Hollywood s portrayal of history This book delves into the intricate relationship between fact and fiction shedding light on the ways in which Hollywood filmmakers have reimagined the past and brought it to life before our eyes Journey through the chapters and uncover the secrets behind Hollywood s cinematic interpretations of history Witness the challenges filmmakers face in translating historical events into gripping narratives and the impact their work has on our collective understanding of the past Explore the factors that influence their choices from the availability of historical sources to the evolving tastes of audiences Delve into the ethical responsibilities filmmakers carry in portraying historical events navigating the delicate balance between entertainment and education Encounter a diverse cast of characters both real and imagined as you traverse through epic battles passionate love affairs political intrigue and social upheaval Discover how Hollywood films have shaped our collective memory of the past and continue to influence our understanding of the present Whether you are a history buff a film enthusiast or simply someone fascinated by the interplay between the two this book promises to enlighten entertain and inspire Embark on this cinematic odyssey and explore the myriad ways in which Hollywood s lens reflects the kaleidoscope of human history Join us on this captivating journey through time where the silver screen illuminates the past and the past breathes life into the silver screen Discover the stories behind the stories the artistry behind the accuracy and the power of cinema to transport us to different eras and immerse us in the lives of those who came before us If you like this book write a review **The**

Haberdasher ,1927 *Desiring Dragons* Kevan Manwaring,2014-05-30 Author of The Hobbit JRR Tolkien talked of desiring dragons that he would prefer a wilderness of dragons to the bleak territory of the unimaginative critic The genre of Fantasy including Science Fiction and its various sub genres in TV film computer games has never been more popular This book seeks to examine why this might be and why so many are tempted to write Fantasy fiction Tolkien suggested how consolation is an important criteria of the Fairy Tale we look at how writing Fantasy can be consoling in itself as well as a portal to

Fantastic Realms for the reader Along the way famous dragons of myth legend and fiction will be encountered from Grendel to Smaug The riddles of dragons will be tackled and their hoard unlocked
