Tales From The Coffee House Stories About Lloyds:

A History of Lloyd's from the Founding of Lloyd's Coffee House to the Present Day Charles Wright, Charles Ernest Fayle, 1928 **Tales from the Coffee House** Sir William Charles Crocker, 1973 The Story of the Sea Arthur Quiller-Couch, 1896 The History of Lloyd's and of Marine Insurance in Great Britain Frederick Martin, 1876 **The First Crash** Richard Dale, 2016-05-31 For nearly three centuries the spectacular rise and fall of the South Sea Company has gripped the public imagination as the most graphic warning to investors of the dangers of unbridled speculation Yet history repeats itself and the same elemental forces that drove up the price of South Sea shares to dizzying heights in 1720 have in recent years produced the global crash of 1987 the Japanese stock market bubble of the 1980s 90s and the international dot com boom of the 1990s The First Crash throws light on the current debate about investor rationality by re examining the story of the South Sea Bubble from the standpoint of investors and commentators during and preceding the fateful Bubble year In absorbing prose Richard Dale describes the trading techniques of London s Exchange Alley which included modern transactions such as derivatives and uses new data as well as the hitherto neglected writings of a brilliant contemporary financial analyst to show how investors lost their bearings during the Bubble period in much the same way as during the dot com boom The events of 1720 as presented here offer insights into the nature of financial markets that being independent of place and time deserve to be considered by today s investors everywhere This book is therefore aimed at all those with an interest in the behavior of stock markets *Lloyd's Register Technical Association Session 1981-1982* Lloyd's Register Foundation, 1981-01-01 The Lloyd s Register Technical Association LRTA was established in 1920 with the primary objective of sharing technical expertise and knowledge within Lloyd s Register Publications have consistently been released on a yearly basis with a brief interruption between 1938 and 1946 These publications serve as a key reference point for best practices and were initially reserved for internal use to maximise LR s competitive advantage Today the LRTA takes a fresh approach focusing on collaboration by combining professional expertise from across LRF Group to ensure a frequent output of fresh perspectives and relevant content The LRTA has evolved into a Group wide initiative that identifies captures and shares knowledge spanning various business streams and functions To support this modern approach the LRTA has adopted a new structure featuring representatives and senior governance across the business streams and the LR Foundation The Lloyd s Register Technical Association Papers should be seen as historical documents representing earlier viewpoints and are not reflective of current thinking and perspectives by the current LR Technical Association The Lloyd s Register Staff Association LRSA changed its name to the Lloyd s Register Technical Association LRTA in 1973 **Goliath, Lloyd's of London in the United States** Joanne Doroshow, Adrian J. Wilkes, 1988 **Eighteenth-Century Coffee-House Culture, vol 1** Markman Ellis, 2017-07-05 Helps scholars and students form an understanding of the contribution made by the coffee house to British and even American history and culture This book attempts to make an intervention in debates about the nature of the public
