Comic Books Incorporated Shawna Kidman,2019-04-30 Comic Books Incorporated tells the story of the US comic book business reframing the history of the medium through an industrial and transmedial lens Comic books wielded their influence from the margins and in between spaces of the entertainment business for half a century before moving to the center of mainstream film and television production This extraordinary history begins at the medium s origin in the 1930s when comics were a reviled disorganized and lowbrow mass medium and surveys critical moments along the way market crashes corporate takeovers upheavals in distribution and financial transformations Shawna Kidman concludes this revisionist history in the early 2000s when Hollywood had fully incorporated comic book properties and strategies into its business models and transformed the medium into the heavily exploited exceedingly corporate and yet highly esteemed niche art form we know so well today Encyclopedia of Comic Books and Graphic Novels M. Keith

Booker,2010-05-11 The most comprehensive reference ever compiled about the rich and enduring genre of comic books and graphic novels from their emergence in the 1930s to their late century breakout into the mainstream At a time when graphic novels have expanded beyond their fan cults to become mainstream bestsellers and sources for Hollywood entertainment Encyclopedia of Comic Books and Graphic Novels serves as an exhaustive exploration of the genre s history its landmark creators and creations and its profound influence on American life and culture Encyclopedia of Comic Books and Graphic Novels focuses on English language comics plus a small selection of influential Japanese and European works available in English with special emphasis on the new graphic novel format that emerged in the 1970s Entries cover influential comic artists and writers such as Will Eisner Alan Moore and Grant Morrison major genres and themes and specific characters comic book imprints and landmark titles including the pulp noir 100 Bullets the post apocalyptic Y The Last Man the revisionist superhero drama Identity Crisis and more Key franchises such as Superman and Batman are the center of a constellation of related entries that include graphic novels and other imprints featuring the same characters or material

Cast and Credits P O V quoting a person pertinent to that film s production Synopsis summarizing the film s story
Commentary analyzing the film from Muir s perspective Legacy noting the rank of especially worthy 70s films in the horror
pantheon of decades following Section Three contains a conclusion and these five appendices horror film cliches of the 1970s
frequently appearing performers memorable movie ads recommended films that illustrate how 1970s horror films continue to
impact the industry and the 15 best genre films of the decade as chosen by Muir *The Mind of the Censor and the Eye of
the Beholder* Robert Corn-Revere,2021-10-20 Beginning in the nineteenth century with Anthony Comstock America s censor
in chief *The Mind of the Censor and the Eye of the Beholder* explores how censors operate and why they wore out their
welcome in society at large This book explains how the same tactics were tried and eventually failed in the twentieth century
with efforts to censor music comic books television and other forms of popular entertainment The historic examples illustrate
not just the mindset and tactics of censors but why they are the ultimate counterculture warriors and why in free societies
censors never occupy the moral high ground This book is for anyone who wants to know more about why freedom of speech
is important and how protections for free expression became part of the American identity *Icons of the American Comic
Book* Randy Duncan,Matthew J. Smith,2013-01-29 This book explores how the heroes and villains of popular comic books and
the creators of these icons of our culture reflect the American experience out of which they sprang and how they have
achieved relevance by adapting to and perhaps influencing the evolving American character Multiple generations have
thrilled to the exploits of the heroes and villains of American comic books These imaginary characters permeate our culture
even Americans who have never read a comic book grasp what the most well known examples represent But these comic
book characters and their creators do more than simply thrill they make us consider who we are and who we aspire to be
Icons of the American Comic Book From Captain America to Wonder Woman contains 100 entries that provide historical
background explore the impact of the comic book character on American culture and summarize what is iconic about the
subject of the entry Each entry also lists essential works suggests further readings and contains at least one sidebar that
provides entertaining and often quirky insight not covered in the main entry This two volume work examines fascinating
subjects such as how the superhero concept embodied the essence of American culture in the 1930s and the ways in which
comic book icons have evolved to reflect changing circumstances values and attitudes regarding cultural diversity The book s
coverage extends beyond just characters as it also includes entries devoted to creators publishers titles and even comic book
related phenomena that have had enduring significance **Amicus - The Studio That Made Us Scream and Scream
Again** Thomas Baxter,2024-02-27 *Amicus The Studio That Made Us Scream and Scream Again* offers an entertaining and
affectionate overview of the legacy of this beloved studio and the films they produced In the concluding chapter we shall also
