Merced de Méndez, 1995-01-01 **The Near Northwest Side Story** Gina Perez, 2004-10-04 An original and significant contribution to Puerto Rican Latino and Latin American studies drawing on the perspective of ordinary men and women Gina Perez's fine work is based on intensive research in two distant but interconnected places conducted by a perceptive and sensitive observer participant herself immersed in two languages cultures and nations Clearly written and cogently argued her book will be of great interest to students of migration ethnicity and gender Jorge Duany author of *The Puerto Rican Nation on the Move* Identities on the Island and in the United States In this fresh textured original multi sited ethnography Perez traces the changing ways that Puerto Ricans have experienced poverty displacement and discrimination and how they imagine and build deeply rooted but transnational lives through the extended families dense social networks and meaningful communities Perez exposes the limits of citizenship for racialized minorities the contradictory constrained agency in community mobilizations and urban uprisings and the often failed promise of transnational migration as a place to build a counter hegemonic political space Brett Williams Professor of Anthropology American University This is a fascinating account of transnational migration as survival strategy one bound up in kin region and economic restructuring Vicki L Ruiz author of *From Out of the Shadows* *The Song of El Coquí and Other Tales of Puerto Rico* Nicholasa Mohr, 1995 A collection of three folktales which reflect the diverse heritage within the Puerto Rican culture *Latina Legacies* Vicki L. Ruiz, Virginia Sánchez Korrol, 2005-03-10 Spanning two centuries this collection documents the lives of fifteen remarkable Latinas who witnessed defined defied and wrote about the forces that shaped their lives As entrepreneurs community activists mystics educators feminists labor organizers artists and entertainers Latinas used the power of the pen to traverse and transgress cultural conventions Boricua Literature Lisa Sánchez-González, 2001-08 Since the invasion and colonization of Puerto Rico in 1898 all Puerto Ricans are both American citizens and colonial subjects by birth according to international law Over a third of this population currently lives in the continental U S forming one of the nation's most significant minority communities Yet no complete study of mainland Puerto Rican or Boricua literature has been written Until now Boricua Literature is the first literary history of the Puerto Rican colonial diaspora The result of a decade of research in archives and special collections in the Caribbean and in the U S Lisa Sánchez González argues that the writing of the Puerto Rican diaspora should be considered an integral field of study Covering 100 years of Boricua literary history each chapter looks at the single writer or group of writers who are most emblematic of their respective generation from William Carlos Williams and Arturo Schomburg to latina feminism and salsa music The story of an American community of color Boricua Literature is also about contemporary critical race and gender studies Unlike virtually all studies concerning mainland Puerto Rican writing Lisa Sánchez González is less concerned with cultural identity than with unearthing a substantive cultural intellectual history The
