Liljencrantz,2023-07-10 In *A Viking s Love and Other Tales of the North* Otilie A Liljencrantz crafts a vivid tableau of Norse mythology and romance set against the rugged backdrop of Viking age Scandinavia Employing a rich lyrical style interwoven with historical detail Liljencrantz draws readers into a world where heroic deeds fateful encounters and mythical elements converge The stories capture both the valor and vulnerability of their characters reflecting the complex interplay of love and honor in a warrior society while presenting an ethereal yet realistic portrayal of the North making it a notable contribution to the genre of historical fiction Liljencrantz was a notable American author of the late 19th and early 20th centuries whose works were influenced by her fascination with Norse culture and mythology likely sparked by the era s growing interest in Scandinavian history through literature and the arts Her keen understanding of the ideals of chivalry and romanticism as well as her deep appreciation for the tales of the North informed her writing allowing her to explore themes of love intertwined with sacrifice and adventure throughout her oeuvre For readers seeking a captivating blend of history and romance steeped in mythological resonance *A Viking s Love* offers an intimate glimpse into a world rich with emotional depth and cultural significance Liljencrantz s masterful storytelling will enchant fans of historical fiction and mythology alike inviting them to journey into the hearts of the fierce yet tender souls of the North **POPULAR TALES FROM THE NORSE - 59 Scandinavian Folk Tales** Anon E. Mouse,2018-10-01 This is a volume of 59 Scandinavian folk tales originally collected over time by Asbj rnsen and Moe and translated into English by Sir George Webbe Dasent This is not a volume of Norse mythology per se so if you are looking for tales of Odin Thor Loki etc we would refer you to a volume entitled *The Children of Odin* Rather this volume is more fairy and far less Viking in nature This is an anthology of 59 Norse themed folk and fairy tales similar to those collected by the Grimm Brothers or those found in Andrew Lang s *Many Coloured Fairy Books* In the 59 tales in this volume all of the usual suspects are in place including princes princesses fools peasants who achieve seemingly impossible tasks giants trolls elves witches evil step siblings magical boons and anthropomorphic animals and beings all making for a magical volume of Northern Folk and Fairy Tales The introduction is exceptionally well written and places various magical and other themes from the tales into the context of the ancient Norse Pagan beliefs Once past the introduction the prose directly addresses young people and young adults and the delightful stories can be appreciated by readers of all ages But be warned despite these tales being magical in character these are tales from an era when political correctness did not exist In the words of the translator the person who in such a work wilfully changes or softens the meaning is as guilty as they who put bitter for sweet and sweet for bitter So join with us and venture back in time

to an age when the world still had a connection to the ethereal A time when magic was still believed to exist and a time when Trolls Elves Nidhogg Vargr and other magical beings still roamed the earth YESTERDAY S BOOKS FOR TOMORROW S CHARITIES 10% of the net profit from the sale of this book will be donated to Charities Keywords TAGS Popular Tales from the Norse Viking Scandinavia true and untrue sea salt old dame hen east of the sun and west of the moon boots ate a match troll hacon grizzlebeard princess that s a story twelve ducks giant no heart fox herdsman mastermaid cat dovrefell glass hill woo cock master smith step sisters buttercup taming shrew shortshanks gudbrand hill side blue belt bear stumpy tailed pin choose between children prettiest whiteland lassie godmother three aunts cock cuckoo blackcock rich peter pedlar gertrude s bird goosey grizzel lad north wind master thief best wish three billy goats gruff ill paid husband house dapplegrim farmer weathersky lord peter seven foals widow s son bushy bride brothers big peter little peter tatterhood katie woodencloak thumbikin deil a nutting big bird dan soria moria castle bruin Reynard tom totherhouse little annie goose girl *Popular Tales from the Norse.
