Tales Of Hearsay:

Tales of Hearsay Joseph Conrad, 1925 Tales of Hearsay Joseph Conrad, 2015-03-23 Very likely my silence appeared to him sympathetic All the month of September our regiment quartered in villages had come in for an easy time It was then that I heard most of that you can't call it a story The story I have in my mind is not in that Outpourings let us call them I would sit quite content to hold my peace a whole hour perhaps while Tomassov talked with exaltation And when he was done I would still hold my peace And then there would be produced a solemn effect of silence Tales of Hearsay (Annotated) Joseph Conrad, 2016-06-23 An odds and ends collection of short stories which spans Conrad's literary career published shortly after his death Contents The warrior's soul Prince Roman The tale The black mate **Tales of hearsay ; Last essays** Joseph Conrad, 1955 Tales of Hearsay and Last Essays Joseph Conrad, 1963 *Tales of hearsay. With a Preface by R.B. Cunninghame Graham. [Containing "The Warrior's Soul," "Prince Roman," "The Tale" and "The Black Mate."]. Joseph Conrad, 1925 **Tales of Hearsay** Joseph Conrad, 2017-07-21 This is classic book of all time Tales of hearsay Joseph Conrad, 1928 **Tales Of Hearsay** Joseph Conrad, 2020-05-15 The old officer with long white moustaches gave rein to his indignation Is it possible that you youngsters should have no more sense than that Some of you had better wipe the milk off your upper lip before you start to pass judgment on the few poor stragglers of a generation which has done and suffered not a little in its time His hearers having expressed much compunction the ancient warrior became appeased But he was not silenced I am one of them one of the stragglers I mean he went on patiently And what did we do What have we achieved He the great Napoleon started upon us to emulate the Macedonian Alexander with a ruck of nations at his back We opposed empty spaces to French impetuosity then we offered them an interminable battle so that their army went at last to sleep in its positions lying down on the heaps of its own dead Then came the wall of fire in Moscow It toppled down on them Then began the long rout of the Grand Army I have seen it stream on like the doomed flight of haggard spectral sinners across the innermost frozen circle of Dante's Inferno ever widening before their despairing eyes They who escaped must have had their souls doubly riveted inside their bodies to carry them out of Russia through that frost fit to split rocks But to say that it was our fault that a single one of them got away is mere ignorance Why Our own men suffered nearly to the limit of their strength Their Russian strength Of course our spirit was not broken and then our cause was good it was holy But that

did not temper the wind much to men and horses The flesh is weak Good or evil purpose Humanity has to pay the price Why In that very fight for that little village of which I have been telling you we were fighting for the shelter of those old houses as much as victory And with the French it was the same It wasn't for the sake of glory or for the sake of strategy The French knew that they would have to retreat before morning and we knew perfectly well that they would go As far as the war was concerned there was nothing to fight about Yet our infantry and theirs fought like wild cats or like heroes if you like that better amongst the houses hot work enough while the supports out in the open stood freezing in a tempestuous north wind which drove the snow on earth and the great masses of clouds in the sky at a terrific pace The very air was inexpressibly sombre by contrast with the white earth I have never seen God's creation look more sinister than on that day
