The Chronicles of Narnia and Philosophy Gregory Bassham, Jerry L. Walls, William Irwin, 2013-11-13 The Chronicles of Narnia series has entertained millions of readers both children and adults since the appearance of the first book in 1950 Here scholars turn the lens of philosophy on these timeless tales Engagingly written for a lay audience these essays consider a wealth of topics centered on the ethical spiritual mythic and moral resonances in the adventures of Aslan the Pevensie children and the rest of the colorful cast Do the spectacular events in Narnia give readers a simplistic view of human choice and decision making Does Aslan offer a solution to the problem of evil What does the

character of Susan tell readers about Lewis's view of gender How does Lewis address the Nietzschean master morality embraced by most of the villains of the Chronicles With these and a wide range of other questions this provocative book takes a fresh view of the world of Narnia and expands readers experience of it **The Good News of the Return of the King** Michael T. Jahosky, 2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant *The Good News of the Return of the King* The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien's *The Lord of the Rings* as well as *The Hobbit* and *The Silmarillion* In this book I propose that J R R Tolkien's *The Lord of the Rings* is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables *The Lord of the Rings* can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many **Psychology, Sixth Edition in Modules** David G. Myers, 2001-07 The hardcover spiralbound edition of Myers's new modular version of *Psychology* 6 e **The Omega Prophecy** David Paul, 2020-10-07 David Paul follows in the tradition of spiritual thrillers pioneered by Charles Williams *War in Heaven* and Frank Peretti *This Present Darkness* and blends the realm of angels and demons with 21st century bio warfare The action is compelling and the stakes go beyond the world souls hang in a delicate balance between heaven and hell It takes great discipline on the part of the reader to set this book down at night and go to bed As observed by Professor Emeritus Francis C Rossow of Concordia Seminary St Louis MO If you like the novels of Stephen King Frank Peretti J R R Tolkien and C S Lewis then *Plague of Terror* is the book for you If you like the novels of Stephen King Frank Peretti J R R Tolkien and C S Lewis then *Plague of Terror* is the book for you Francis C Rossow Professor Emeritus Concordia Seminary St Louis Missouri *Plague of Terror* is one of those books that grabs you Michael J Chapman author and national lecturer on public education and revisionist history *The Transcendent Vision of Mythopoeic Fantasy* David S. Hogsette, 2022-07-22 An ever expanding critical library on fantasy fiction requires an analysis of why the genre is so ubiquitous enduring and beloved This work analyzes the mythic elements in foundational fantasy texts arguing that mythopoeic fantasy reveals timeless truths that link human cultures past and present Through close readings of works like *Phantastes* *The King of Elfland's Daughter* *The Fellowship of the Ring* *The Lion the Witch and the Wardrobe* *A Wizard of Earthsea* *The Neverending Story* *A Wrinkle in Time* and *Out of the Silent Planet* this book explores how mythopoeic fantasy speaks to the deepest concerns of the human heart It investigates the genre's use of an imagination that is sometimes atrophied by the demands of contemporary life and explores how fantasy provides restoration consolation and hope within a cultural context that too often decries such ideas Each chapter focuses on a representative text providing author background and engaging relevant scholarship on a variety of relevant thematic issues Offering new insights on these

classic texts by drawing upon post secular critical approaches this work is suitable for both new and seasoned students of fantasy

C.S. Reality and Other Stories Peter Dray, Matt Lillicrap, 2022-08-18 Stories shape us and give us meaning but is it coincidence that the same seven basic plots repeat over time and across the world What if stories not only reveal something about human psychology but also give us clues to the meaning of the reality we live in In *Reality and Other Stories* Peter Dray and Matt Lillicrap explore how seven story archetypes Overcoming the Monster Rags to Riches The Quest Voyage and Return Comedy Tragedy and Rebirth are not only universal but also found in the story of Christ As they unpack each example they demonstrate how our deepest longing find fulfilment in Jesus story This is not just another Christian apologetics book *Reality and Other Stories* is an ideal gift to give to new Christians and those just beginning to explore faith The authors show the power of storytelling to affect our lives and through examples of story archetypes demonstrates that the life of Jesus truly is the story at the heart of reality *Reality and Other Stories* will help you explore Jesus story for yourself and better understand how through Jesus we can discover the true story of reality that gives ultimate purpose to our lives

Christ the King Shirley Lucass, 2019-03-12 How foolish you are and how slow to believe all that the prophets have spoken Did not the Messiah have to suffer these things and then enter his glory And beginning with Moses and all the Prophets he explained to them what was said in all the Scriptures concerning himself Luke 24 25 27 There's a selfish part of me that wanted to write everything that I know at this point and the amateur in me wanted to write it all in one book on the definitive way of understanding Jesus through the Jewish Festivals and through the themes that emerge but I felt the Lord had commissioned me to sing a new song not a whole opera just one song that told the story a royal ballad If we understand kingship as the background and framework into which all the other stories fit then we will be a good way along the path of understanding what it was that Jesus was trying to explain to the disciples This road to Emmaus won't tell us everything but it will have started us off on a journey with signposts we can continue to follow all our lives
