Tales Of Princes And Princesses:

The Book of Princes and Princesses Leonora Blanche Lang, 2024-01-27 All the stories about Princes and Princesses in this book are true stories and were written by Mrs Lang out of old books of history There are some children who make life difficult by saying first that stories about fairies are true and that they like fairies and next that they do not like true stories about real people who lived long ago I am quite ready to grant that there really are such things as fairies because though I never saw a fairy any more than I have seen the little animals which lecturers call molecules and ions still I have seen people who have seen fairies truthful people This book about Princes and Princesses is not one which a child is obliged to read Indeed the stories are not put in order beginning with the princes who lived longest ago and coming down gradually to people who lived nearest our own time The book opens with the great Napoleon Bonaparte who died when some very old people still living were alive Napoleon was not born a prince far from it his father was only a poor gentleman on a wild rough little island But he made himself not merely a king but the greatest of all emperors and generals in war He is not held up as a person whom every boy should try to imitate but it is a truth that Napoleon always remained a boy in his heart He liked to make up stories of himself doing wonderful things which even he was unable to do When he was a boy he played at being a general making snow fortresses and besieging them just as many boys do And when he was a man he dreamed of conquering all the East Asia and India and Australia and he tried to do all that but it was too much even for him

toad how does she turn herself back And can a fairy even a helpful one change a stubborn king's law Welcome to a land where Princess Charming saves the day the prince must kiss the toads and nothing is as it seems Now in one volume three hilarious chances at happily ever after from the Newbery Honor author of *Ella Enchanted Cinderella* and *The Glass Hill* For Biddle's Sake *The Fairy's Return* **The Book of Princes and Princesses** Mrs. Lang, 1923 *The Fairy's Return* Gail Carson Levine, 2014-04-22 From the Newbery honor author of *Ella Enchanted* an anthology of inventive fairy tale elements woven into charming original stories Booklist Ever since award winning author Gail Carson Levine introduced the magical village of Snettering on Snoakes in the faraway Kingdom of Biddle young readers have been laughing their way through her hilarious retellings of famous and not so famous fairy tales Now for the first time the six beloved Princess Tales are together in one magnificent volume The high jinks begin in *The Fairy's Mistake* which pokes fun at a meddlesome fairy whose plans for good go terribly awry In *The Princess Test* the author spoofs the notion that a pea can prove a person's pedigree Princess Sonora and the Long Sleep features a genius of a princess a hundred years of snooze two princes and a flock of balding sheep Cinderella is a boy in *Cinderella* and the Glass Hill and the glass slipper is a glass hill In *For Biddle's Sake* Parsley tries to forget her beloved prince and get used to life as a Biddlebum Toad The road to happily ever after isn't easy when a baker's son and a princess fall in love in *The Fairy's Return* Elements of the classics are woven into these not so typical retellings of *Toads and Diamonds* *The Princess and the Pea* *Sleeping Beauty* *The Princess on the Glass Hill* *Puddocky* and *The Golden Goose* The fresh and funny twists on favorite fairy tales will win the hearts and capture the imaginations of young readers everywhere *Ten of the Best Prince and Princess Stories* David West, 2014-09-26 Ten beautifully illustrated stories tell classic fairy tales from different cultures of princes and princesses Familiar fairy tales include *Snow White* *Rapunzel* and *The Frog Prince* *The Princess and the Pea* from Germany and Scandinavia Tales from other cultures include *Rhodopis* from Egypt *The Lake Princess* from China *Princess of the Mist* and a Native legend from Canada Feature boxes add additional details to help readers better understand concepts in the story as well as the time period in which the story was written **The Book of Princes and Princesses** Mrs. Lang, 2020-09-28 If you look out of your window in a clear dawn on the French Riviera you may if you are fortunate see far away to the south a faint mountain range hanging on the sea and if you do see it it is a sight so beautiful that you will never forget it The mountain range belongs to Corsica and under its shadow was born the most wonderful man the world has ever seen Napoleon In the year 1769 two babies were born in widely distant places both destined to spend the best years of their lives in a life and death struggle with each other The birthday of Arthur Wellesley afterwards Duke of Wellington was on May 1 and his home was an Irish castle while Napoleon Buonaparte saw the light in a small house in the little town of Ajaccio in Corsica Napoleon's ancestors came over from Tuscany early in the sixteenth century and found in the island a large number of colonists like themselves some Italian and some Greek but all of them seeking refuge from the foreign armies which for fifty years had been trying to parcel out Italy among themselves Though

distant only a few hours sail from its coasts the inhabitants of the island were as different from those of the mainland as if the whole world lay between them In Italy men were lazy yet impulsive lovers of beauty of art of literature and of luxury in Corsica they were gloomy silent watchful living hardly careless of everything which had not to do with their daily lives Their hatreds were not only deep and strong but lasting As in old Rome it was the rule that he who slew the slayer should himself be slain and these blood feuds never died out No wonder that a traveller was struck with the sight of nearly the whole population wearing mourning Almost everyone was related to the rest and in almost every family one of its members had recently fallen a victim to avendetta what we call a blood feud Periods of mourning were long too often lasting for ten years sometimes for life So the country was dismal to look at with the high bare mountains shadowing all While in Italy things moved fast and new customs seemed best in Corsica they seldom altered The father was in some ways as absolute over his wife and children as in ancient Rome He gave his orders and they were obeyed no matter how hard they might be or how much disliked His wife was not expected or wished to be a companion to her husband or a teacher to her children Even if a lady by birth like the mother of Napoleon she worked as hard as any servant for there was little money in Corsica and people cultivated their ground so that they might have produce to exchange with their neighbours olive oil for wine chestnuts for corn fish for garments woven by the women from the hair of the mountain sheep or goats
