Tales Of South Jersey Pro And Personalities:

Tales of South Jersey Jim Waltzer, Tom Wilk, 2001 Waltzer and Wilk have compiled almost fifty stories about the state's southernmost counties. Although the focus is on Atlantic City and its remarkable people, outsize structures and quirky events, the storytelling ranges across the wider region to provide an insiders look at history as it was being made. You'll encounter gangsters and gamblers, baseball hitters and hurricanes, famous piers and hotels, landmark theaters and eateries, splashy events and unheralded oddities. In sum, a cross section of the region's character and characters. *South Jersey Legends & Lore* William J. Lewis, 2024-02-26 From Piney Folklore to Legendary Figures of South Jersey's Past, Author William Lewis presents fascinating tales revealing legends and beloved lore from the heart of Southern New Jersey. *Encyclopedia of Hair* Victoria Sherrow, 2023-03-30 This popular volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information. How we style our hair has the ability to shape the way others perceive us. For example, in 2017 the singer Macklemore denounced his hipster undercut hairstyle, a style that is associated with Hitler Youth and alt right men, and in 2015 actress Rose McGowan shaved her head in order to take a stance against the traditional Hollywood sex symbol stereotype. This volume examines how hair or lack thereof can be an important symbol of gender, class and culture around the world and through history. Hairstyles have come to represent cultural heritage and memory and even political leanings, social beliefs and identity. This second edition builds upon the original volume, updating all entries that have evolved over the last decade, such as by discussing hipster culture in the entries on beards and mustaches and recent medical breakthroughs in hair loss. New entries have been added that look at specific world regions, hair coverings, political symbolism behind certain styles and other topics. **Globetrotter** Mark Jacob, Matthew Jacob, 2024-10-01 Read the captivating biography of Abe Saperstein, originator of the Harlem Globetrotters, which is called meticulously researched and written in an easy and entertaining style by Booklist in a starred review. The original Harlem Globetrotters weren't from Harlem and they didn't start out as globetrotters. The talented all-Black team started by Jewish immigrant Abe Saperstein was from Chicago's South Side and toured the Midwest in Saperstein's model. But with Saperstein's savvy and the players' skills, the Globetrotters would become a worldwide sensation. **Globetrotter: How Abe Saperstein Shook Up the World of Sports** is the fascinating biography of Saperstein, a five-foot-three promoter who made an amazing impact in a sport where height is at a premium: basketball. After Saperstein founded the team in the 1920s, they battled everything from blizzards to bigotry, steadily building a reputation for talent and comedy until their footprint covered the entire world. Abe Saperstein's impact went well beyond the Harlem Globetrotters. He helped keep baseball's Negro Leagues alive, was a force in getting pitching great Satchel Paige his shot at the majors and befriended Olympic star Jesse Owens when he fell on hard times. When Saperstein started the American Basketball League, he pioneered the three-point shot, which has dramatically changed the sport. **Globetrotter** reveals the tireless work and impressive achievements of a man

and a basketball team that made millions of people laugh gasp and applaud at their astounding performances *The Big Story* David Grzybowski,2024-11 This book provides an oral history of television news broadcasting in Philadelphia from the late 1970s into the 2020s In over 200 interviews journalists in front of and behind the camera reflect on what it was like to cover major news stories and how they built trust with viewers *The Westminster* ,1907 **Harper's Young People** ,1885 **Chambers's Encyclopaedia: A Dictionary of Universal Knowledge for the People** Anonymous,2020-04-17 Reprint of the original first published in 1870 *Our Young People* ,1904 *Congressional Record* United States.
