Tales Of St Francis Ancient Stories For Contemporary Times:

Francis: The Journey and the Dream Murray Bodo, 2022-08-16 In 1972 a young Franciscan friar named Murray Bodo wrote a unique book about the life of St Francis of Assisi Francis The Journey and the Dream offered readers a unique combination of lyrical prose and brief absorbing vignettes that inspired hundreds of thousands of people all over the world to contemplate the life of the famous saint and see him in a new way Fifty years and over 200 000 copies later this book still captivates people everywhere and Fr Bodo is still writing about St Francis and the Franciscan way of life His poetic style continues to draw readers in and he himself continues to gaze in wonder at the saint who worked nearly his entire life to rebuild the church This special anniversary edition includes a new preface in which Fr Bodo reflects on a half century spent immersed in the Franciscan way

Tales of St. Francis Murray Bodo, 1988-09-04 There was a time at the very beginning when Francis and his brothers lived at a place near Assisi called Rivo Torto At Rivo Torto they fasted and did penance with all the enthusiasm and sometimes the imprudence of novices in the life of the Spirit as the following story shows One night as they all lay sleeping soundly a loud cry broke into their dreams I am dying I am dying Help me And the brothers startled for their sleep saw St Francis already at the side of the terrified brother What is it brother Tell me And though he was now embarrassed the brother overcame shame and said Forgive me Father Francis but I am dying of hunger Then St Francis immediately ordered the brothers to light a torch and go out and gather some herbs and vegetables and whatever else they could find for all of them to have a good nourishing meal He said this so that the poor brother would not have to be humiliated by eating alone And so all the brothers set themselves eagerly to the task of preparing a meal and then they all sat down with the hungry brother and ate a midnight supper Lesson Distinguish between moderation and excess We mature in God when we let him come and go as he wills and not try to force him to stay by exaggerated penance

Tales of St. Francis Murray Bodo, 1992 A refreshing book of Christian stories each accompanied by a contemporary moral or lesson and each conveying universal continuing truths to help readers deal with the demands of a materialistic world

The History of the Wolf in Western Civilization Malcolm Drew Donalson, 2006 This study of the wolf is primarily that of the wolf of Biblical metaphor and medieval legend rather than the wolf of reality Yet it demonstrates for students and teachers alike how the wolf of reality underwent a long term demonization in western culture largely as a result of the literary wolf It accomplishes this first through a close investigation of the pertinent passages of the Scriptures and select references in the works of the Church Fathers
