Indian Hero Tales John Hubert Cornyn, 1921 **A Telling Experience** Richard M. Trask, 2018-07-01 The book title A Telling Experience has a double meaning 1 something curious that you were part of and 2 the sharing of your particular story An experience becomes even more meaningful by being told The thing may be familiar or it may be as strange as The Twilight Zone but true The idea of this book is that everybody's life is somehow a Tall Tale This book is my Tall Tale my ordinary strange telling experience A bewildered youth a bumbling smitten young adult a middle age striver finally a would be philosopher It's a wild ride You'll laugh your head off and cry your eyes out I promise It's a bizarre collection every chapter a story of its own and every story a very Tall Tale Each story is somehow like your own story and in some way like everybody else's story too We're all in the same boat it seems That's a comforting thought overall Misery loves company and especially so does joy
