Authors,2025-06-01 The Literature Publishing and Translation Commission celebrates the short story genre by publishing *Tales from Saudi Arabia* This series includes a selection of short stories that document the variety of local literary output and the centrality of the short story genre in Saudi Arabia as well as to reignite the spark of this important literary form The Saudi short story went through major developments over the span of 50 years during which many of the genre s pioneers shaped the literary scene in the Kingdom Now a different short story generation makes itself known with some authors following the example of past generations and others weave their own literary paths This is the reason why the Literature Publishing and Translation Commission believes in the importance of showcasing the developments of the Saudi short story and highlighting the diversity of its writers to reach a wider local regional and international audience This collection includes twenty short stories written in the year of 2020 It varies in themes and topics thus taking the reader on a journey throughout Saudi Arabia from the heights of its mountains to the vastness of its deserts

### **Strange Tales from National Parks**

Martin K. Ettington, National Parks here and abroad have an unusual number of strange scary and weird activities going on It may be because these areas cover some of the most hidden and still natural and undisturbed locations in the world These parks offer undisturbed areas where man does not intrude normally and many activities can be hidden there The stories in this book are mostly by Park Rangers who spent years in the outback of these parks and tell of their unusual and sometimes very scary experiences I ve divided up these stories mainly by types like missing persons Bigfoot sightings Aliens and UFOs and more Some experiences are so weird or unusual they were hard to categorize so they are in the chapter titled Random Stories From my own experiences camping the wilderness I know that you need to be prepared for the unexpected All of these stories were reported as true but who is to say what the real truth is
