Tales From The Prince Of Storytellers:

Tales from the Prince of Storytellers Robert Louis Stevenson, 1993 Robert Louis Stevenson 1850-94 is widely known for his novels *Dr Jekyll and Mr Hyde*, *Treasure Island* and *Kidnapped*. His reputation as a romantic writer and children's author however reflects only a portion of his literary achievement. This collection of stories features an introduction by Stevenson scholar Barry Menikoff which places Stevenson's writing in a new context. Menikoff argues that Stevenson is misunderstood by academic readers and critics and presents him as a writer whose subjects and methods are clearly modernist. Included in this volume for the first time are versions of the stories *Markheim* and *The Isle of Voices* as they appear in Stevenson's holograph manuscripts plus his classics *The Suicide Club*, *The Rajah's Diamond*, *The Bottle Imp*, *The Pavilion on the Links*, *A Lodging for the Night*, *The Merry Men* and *Thrawn Janet*.

Storytelling in Bali H. Geertz, 2016-11-01 In *Storytelling in Bali* Hildred Geertz makes a case for the importance of the role of informal storytelling as an engine of social change in Bali in the 1930s. This is a study of more than 200 texts dictated by the painters of the village of Batuan in 1936 to the anthropologist Gregory Bateson. It is completed by three years field work in Batuan in the 1980s. The tales reveal a set of strong ambivalences about the magical powers of kings, priests and sorcerers and about social strains within villages and families. These narratives were related in the daily settings of home and coffee shop and also in the spectacular dance dramas of the time.

Storytelling Josepha Sherman, 2015-03-26 Storytelling is an ancient practice known in all civilizations throughout history. Characters, tales, techniques, oral traditions, motifs and tale types transcend individual cultures; elements and names change but the stories are remarkably similar with each rendition highlighting the values and concerns of the host culture. Examining the stories and the oral traditions associated with different cultures offers a unique view of practices and traditions.

Storytelling: An Encyclopedia of Mythology and Folklore brings past and present cultures of the world to life through their stories, oral traditions and performance styles. It combines folklore and mythology, traditional arts, history, literature and festivals to present an overview of world cultures through their liveliest and most fascinating mode of expression. This appealing resource includes specific storytelling techniques as well as retellings of stories from various cultures and traditions.

Creative Storytelling Jack Zipes, 2013-10-11 Jack Zipes has reinvigorated storytelling as a successful and engaging tool for teachers and professional storytellers. Encouraging storytellers, librarians and schoolteachers to be active in this magical process, Zipes proposes an interactive storytelling that creates and strengthens a sense of community for students, teachers and parents while extolling storytelling as animation, subversion and self discovery.
